

Isodiol International Inc. Commences Vending Machine Program for Iso-Sport™ Products with Initial Launch in 20 Powerhouse Gym Locations

April 11, 2019 – Vancouver, BC – [Isodiol International Inc.](#) (CSE: [ISOL](#)) (OTCQB: [ISOLF](#)) (FSE: [LB6B.F](#)) (the “Company” or “Isodiol”), announces the commencement of its cannabidiol (CBD) vending machine program with an initial launch of Iso-Sport™ products in 20 Powerhouse Gym (“Powerhouse”) locations across the United States. This announcement follows Isodiol’s September 14, 2018 [announcement](#) that it entered into an agreement with Powerhouse to be the preferred vendor of CBD performance products in Powerhouse gyms.

Powerhouse is one of the largest health club licensing organizations in the world, with over 1.2 million gym members. Today, Powerhouse continues to experience substantial growth opportunities, allowing the Company to target a growing consumer base for CBD products.

“We are pleased to be improving our customers’ shopping experience by providing a simple and convenient point of purchase through our partnership with Powerhouse,” said CEO of Isodiol, Marcos Agramont. “We believe our Iso-Sport™ products are specially tailored to the needs of Powerhouse members who seek high-quality CBD performance products to enhance workouts and results. As we continue our focus on the Consumer Packaged Goods (CPG) market, the additional awareness and retail opportunities that our vending machine program with Powerhouse brings to Iso-Sport™ is very promising, and we look forward to numerous expansion opportunities.”

“Training and building great gyms has been a passion of mine for over 40 years and anything that helps me continue my training and work, I consider to be a great benefit,” said co-founder of Powerhouse, Will Dabish. “I was introduced to Isodiol during the fall of 2018 and they have helped me very much with pain and soreness and the ability to keep my workouts on track has been crucial to my health and well being. This year I’m having a total shoulder replacement, as well as total hip replacement and I’ll be relying on Isodiol to help me get back to training.”

The Company anticipates its Iso-Sport™ products will be available in vending machines at select Powerhouse gym locations by mid-April 2019.
