MONTHLY PROGRESS REPORT

Name of Listed Issuer: [GLOBAL BLOCKCHAIN MINING CORP. \(the "Issuer"\)](#).

Trading Symbol: [FORK](#)

Number of Outstanding Listed Securities: [774,708,933 Common shares were issued and outstanding as of April 30, 2019](#)

Date: [May 6, 2019 \(for the month of April, 2019\)](#)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

During the month of **April 2019**, the Issuer announced that it had entered into a letter agreement with US-based AmmbrTech, Inc. in which the Issuer will invest its holdings of AMR tokens into AmmbrTech's subsidiary Ammbr Telecom Inc. ("Ammbr Telecom") which will be deploying Ammbr wireless mesh network technology in northern Canada. The Issuer will be investing its entire holdings of AMR tokens into Ammbr Telecom and in exchange for its investment it shall receive a 25% stake of its equity. Simon Ditner the Chief Technologist of the Issuer will also be joining Ammbr Telecom as its Chief Technologist to provide oversight of its technologies and technical matters.

The Issuer announced that it had entered into an asset purchase agreement with Global Gaming Technologies Corp. ("GGAM") to acquire all of its exchange related interests (see below and the news release dated April 4, 2019 for more details regarding the assets acquired). Pursuant to the terms of the purchase agreement, the Issuer agreed to issue a total of 225,000,000 common shares in exchange for the assets, for an aggregate purchase price of \$4,500,000.

The Issuer provided an update with regards to its platform for pooled masternode funding and blockchain network staking with capital contributed from customers. The Issuer is currently operating nodes on the Dash and Loki networks, with plans for participation on several other networks (see the news release dated April 10, 2019 for additional details regarding the networks the Issuer intends to operate service nodes on). The Issuer also announced that it intends to change its name to Metaverse Capital Corp. in the near future to better reflect its focus on staking and other blockchain network services.

The Issuer provided an update on its work with UK-based social media company Nuvo Cash Ltd. ("Nuvo Cash") and announced that under its administration, the sale for NUVO began on Friday April 12, 2019 on the Korean digital asset exchange ProBit as an initial exchange offering. The Issuer also provided an update on Nuvo Cash to advise that it would be launching called Nuvo Chat on April 19, 2019, which offers users the same functionality of the Nuvo blockchain network (such as immunity to censorship) in the context of messaging, group chats, voice calling, and video calling

The Issuer provided an additional update on Nuvo Cash to advise that it had launched GameKarma, the second social media community on the Nuvo blockchain network. GameKarma will be an interest-based community with a focus on video gamers (see out news release dated April 23, 2019 for additional details regarding GameKarma).

The Issuer announced that it had agreed to transfer 6,598 Antminer S9 machines ("Machines") to the service provider at its Quebec facility. The Machines were in operation pursuant to the master service agreement dated July 4, 2018 ("MSA") with the operator. The transfer of the Machines is consideration for the early termination of the MSA without any further fees due or payable by Issuer, which were contemplated under the MSA. As previously announced in the Company's February 25, 2019 news release, the decision to liquidate the Machines is a part of the Issuer's strategy to pivot its operations and to focus on service-based offerings, as opposed to Bitcoin mining, in light of changing crypto asset market conditions.
