Trading Symbol: PDO

Number of Outstanding Listed Securities: 19,572,823

Date: June 4, 2019

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

PUDO is North America's first pick-up and drop-off service that is carrier neutral ("Network"). Its large Network of convenient locations ensures reliable and secure delivery where you want it, when you want it. The Issuer is working closely with previously acquired customers to optimize procedures and expand the Network (referred to as PUDOpoints) to provide them service where and as they need it. Management of the Issuer continues to work on additional integrations with customers to grow parcel volumes while pursuing new customers and strategic partners.

The Issuer's current partners continued to utilize the PUDO Network for a growing suite of services. In addition to ensuring parcels are safe and secure for their partners, the PUDOpoint Network also collects parcels from small and home-based businesses to be shipped to customers, as well as is receiving returns from consumers. This continues to provide valuable insight to the Issuer for strategic expansion, and additional service opportunities that increase utilization of the PUDO Network.

With the completion of required IT integrations and enhancements to current technology infrastructure the Issuer began the previously announced four-month pilot with a potential new partner. This pilot includes four strategic PUDOpoint locations that were identified by the client for this pilot.

2. Provide a general overview and discussion of the activities of management.

Management of the Issuer continues to work with the Issuer's existing partners to manage the evolving PUDO Network and services, while continually pursuing new partner opportunities that would strategically enhance and expand the PUDO Network and service offerings.

During the month, management of the Issuer continued preparations for the fiscal year ended February 28, 2019 (“FY 2019”), audited annual financial reports. This included continuing to provide documents and supporting details as outlined in the client assistance requests made by the Issuer’s auditors, Grant Thornton, for the efficient execution of the planned year-end procedures as agreed by the Issuer and Grant Thornton. Current expectation is that Grant Thornton will present the final FY 2019 “Report to the Audit Committee” along with the final audited financial reports to the Issuer’s Audit Committee and Board of Directors in June for their review, approval, and filing.

During the month the senior management of the Issuer continued discussions with an investment banking firm to assist with the Issuer’s North American Network expansion and growth strategy.
