## PRESS RELEASE

### MAG ONE'S PRESIDENT & CEO RECEIVES PRESTIGIOUS ENVIRONMENTAL AWARD

Vancouver, B.C., Canada – August 21, 2019 – Mag One Products Inc. (the “**Company**” or “**Mag One**”) is pleased to announce that Gillian Holcroft, the Company’s President and CEO is this year’s recipient of the MetSoc Environmental Award, sponsored by Teck Metals Inc for her leadership in the development and application of new environmentally sustainable technologies. Ms. Holcroft was on hand at the MetSoc Awards and Conference Banquet last night in Vancouver to receive this honor in front of her peers. The MetSoc Conference attracted over 600 delegates this year.

This award was created by Teck in order to promote innovation and development in the field of environmental control technology for the metallurgical and materials industry in Canada. Future advances in the industry depend on the development of environmentally safe technologies. The award recognizes significant contributions to the field of environmental science and engineering and sustainable development in the metallurgical and materials industry. The nominee must have a clear record of impact (important changes related in policy, procedure or process) on the environment. This record should be highlighted in the nomination letter and in the citation.

The Metallurgy and Materials Society of CIM administers the award. Recipients are nominated by their peers and must be a CIM National member in good standing and whose contributions and impact must be to the benefit of Canada.

Gillian Holcroft, President & CEO of Mag One, said the following, “Working on projects that have a positive environmental impact has always been my passion. Being recognized by my peers is an honor. Mag One’s environmentally sustainable approach for producing magnesium metal, magnesium products and co-products is exactly the type of project that I love to be part of. We have an incredible technical team and we continue to work hard to further demonstrate the potential of our game-changing and environmentally-sustainable technology.”

On behalf of the Board, “*Gillian Holcroft*”, President & CEO.
