Number of Outstanding Listed Securities: 19,572,823

Date: September 3, 2019

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

PUDO is North America's first pick-up and drop-off service that is carrier-neutral ("Network"). Its large Network of convenient locations ensures reliable and secure delivery where you want it, when you want it. The Issuer is working closely with previously acquired customers to optimize procedures and expand the Network (referred to as PUDOpoints) to provide them service where and as they need it. Management of the Issuer continues to work on additional integrations with customers to grow parcel volumes while pursuing new customers and strategic partners.

The Issuer's current partners continued to utilize the PUDO Network for a growing suite of services. In addition to ensuring parcels are safe and secure for their partners, the PUDOpoint Network also collects parcels from small and home-based businesses to be shipped to customers, as well as is receiving returns from consumers. This continues to provide valuable insight to the Issuer for strategic expansion, and additional service opportunities that increase utilization of the PUDO Network.

The Issuer continued the previously announced pilot with a potential new partner. This pilot includes four strategic PUDOpoint locations that were identified by the client at the beginning of the pilot and it continues to progress successfully with the addition of additional PUDOpoint locations being added to the pilot in August.

On August 26, 2019, the Issuer announced that US-based Give Back Box ("GBB"), has chosen PUDO to launch GBB's highly successful products and packaging recycling and donation platform in Canada, effectively connecting e-retailers and online shoppers in North America and the UK with a convenient and economical way to give back by giving back. Under the terms of the agreement, services will commence in September 2019, when GBB partner ALDO Shoes (Aldo Group Inc.) begins including GBB pre-paid donation box shipping labels and directions for use, in all of their

ecommerce parcels. The Issuer will manage the receipt, consolidation, and delivery of Give Back Boxes to participating charities, allowing non-profits to concentrate on fulfilling their missions of feeding, clothing, housing, re-training, and otherwise assisting people struggling with disadvantage. In all cases, cardboard Give Back Boxes will be recycled and diverted from landfills.
