

FOR IMMEDIATE RELEASE

Eviana Provides Update on Details of Strategic Alternatives

TORONTO, ONTARIO – September 6, 2019 – Eviana Health Corporation (CSE:EHC) (the “Company”) is announcing the following:

Strategic Alternatives

The Board is in the process of considering its options for shareholders in connection with various strategic alternatives, including those outlined below, and is in the process of retaining suitable professional advisors in that regard. Further disclosures will be made as this process progresses.

Proposed Hostile Take-over from AgraFlora

On August 9, 2019, Agra Flora Organics International Inc. (“AgraFlora”), having previously communicated to the Board (on July 27, 2019) through a non-binding letter of intent an interest in exploring a business combination with the Company, announced that it intended to make an offer (the “AF Offer”) to purchase all of the issued and outstanding common shares of the Company (the “Eviana Shares”) at a price of 1.694915 AgraFlora shares (the “AF Shares”) for each Eviana share (based on the offer price of \$0.50 per Eviana Share and the closing price of AF Shares of \$0.295 on August 9, 2019). AgraFlora has yet to formalize the AF Offer.

Proposed Private Placement and Joint Venture from Abrazen-Devolli

On August 26, 2019, Board received the signed letter of intent (“LOI”) from Company Abrazen-Devolli (“Abrazen”) group from Malta, outlining the intent to collaborate and enter into a proposed joint venture in regard to the production of CBD and THC possibly in Macedonia, production of CBD infused foods and beverages (using the existing facilities of Abrazen located in Kosovo), and other potential products (the “Abrazen LOI”). According to the Abrazen LOI Eviana would allow Abrazen to purchase by way of private placement CAD 4,500,000 of units of EHC at CAD \$0.50 per unit consisting of one common share and one common share purchase warrant with each warrant exercisable into one common share for CAD \$1.00 for two years. As a term of the investment, Abrazen would acquire the right to appoint a member to Eviana’s Board, as well as its CFO and CEO.

About Eviana Health Corporation

The Company was established with the aim of delivering customized consumer health care products using natural hemp strains of cannabis sativa for cannabinoid-based topical creams, products and cosmeceutical and nutraceutical merchandise. The Company's wholly owned subsidiary, Eviana Inc., an Ontario corporation, holds certain assets in Serbia relating to the cultivation of industrial hemp plant oil for the pharmaceutical, nutraceutical and cosmeceutical

industry, and has access to a significant grower/supplier of cannabinoids including two subsidiaries, Intiva Plus, d.o.o. and Eviana d.o.o.
