

THERAMED ANNOUNCES RECEIPT OF NEW ISIN, CUSIP FOR EGF THERAMED HEALTH CORP AND CONSOLIDATION

VANCOUVER, BC, Friday, October 18th, 2019, – THERAMED HEALTH CORP. (CSE: TMED, OTCQB: EVAHF) (the “**Company**”) is pleased to announce that it has received a new ISIN and CUSIP for its new operating name of EGF Theramed Health Corp. The new ISIN is CA2684691033 and the new CUSIP is 268469103. In addition to the name change the company shall be undergoing a share consolidation of its issued and outstanding common shares on a one hundred (100) old to one (1) new basis. No fractional common shares will be issued pursuant to the Consolidation. All Fractional interests of less than a whole share will be rounded down to the nearest whole number of shares. The Company’s consolidated common shares under the company’s new name are expected to begin trading on the Canadian Securities Exchange (“CSE”) on October 24th, 2019. The consolidation of the shares will be subject to meeting all regulatory, corporate and exchange conditions. The Exchange “CSE” will issue a bulletin for any additional and final details.

The Company continues to develop products, technologies, and diagnostic tools focused on personalized medical care including research with hemp derived CBD. The products will serve with the overall goal of improving health and elevating the human condition.

About THERAMED HEALTH

(CSE: TMED, OTCQB: EVAHF)

Theramed Health Corporation – is a technology company focused in the healthcare and life sciences sector to develop a personalized healthcare system. The company has recently been focused on utilizing CBD derived from Hemp as a core component. The company through its subsidiaries has assets and technologies involved in extracting and purifying CBD extracts, creating formulations through its key scientists, and with its medical device technology monitoring capabilities. Theramed’s unique combination of technologies may allow it to be the first to be able to offer a complete quality assured vertically integrated “CBD Health System” for monitoring, dosing, and recording the effects of CBD on your cardiovascular system.
