EVIANA ANNOUNCES DELAY OF ANNUAL FILINGS

VANCOUVER, BC AND TORONTO, ONTARIO – October 28, 2019 – Eviana Health Corporation (CSE:EHC) (the “**Company**”) announced today that it anticipates the filing of its annual financial statements, management’s discussion and analysis and related officer certifications for the financial year ended June 30, 2019 (collectively, the “**Annual Filings**”) will be delayed beyond the required filing deadline under Parts 4 and 5 of National Instrument 51-102 *Continuous Disclosure Obligations* and pursuant to National Instrument 52-109 *Certification of Disclosure in Issuer’s Annual and Interim Filings*, being today, October 28, 2019 (the “**Filing Deadline**”).

Due to a number of transactions requiring additional review, the Corporation’s audit remains ongoing at this time. As a result, the Corporation has determined that it will not be able to complete the audit and file the Annual Filings by the Filing Deadline. The Corporation intends to work closely with its auditor and expects to file the Annual Filings as soon as possible, and in any event no later than November 29, 2019. The Corporation does not anticipate any delay in filing its interim financial statements, management’s discussion and analysis, and the related officer certifications for the financial period ended September 30, 2019.

The Corporation is providing this default announcement in accordance with National Policy 12-203 *Management Cease Trade Orders* (“**NP 12-203**”). The Corporation has made an application to the British Columbia Securities Commission, as principal regulator of the Corporation, for a management cease trade order (“**MCTO**”) under NP 12-203 in respect of the anticipated default regarding the Annual Filings. The granting of the MCTO is at the discretion of the British Columbia Securities Commission. The issuance of the MCTO generally will not affect the ability of persons who have not been directors, officers or insiders of the Corporation to trade in their securities. In the event that the MCTO is granted, it will be in effect until the default is remedied.

The Corporation intends to follow the provisions of the Alternative Information Guidelines set out in NP 12-203, including the issuance of bi-weekly default status reports in the form of news releases, for as long as the Corporation remains in default. The Corporation confirms as of the date of this news release that there is no insolvency proceeding against it and there is no other material information concerning the affairs of the Corporation that has not been generally disclosed.
