

## **ORCHID VENTURES CEO RESPONDS TO OREGON COURT OF APPEALS STAY ON THE BAN OF FLAVORED CANNABIS VAPE PRODUCTS**

**IRVINE, CA / ACCESSWIRE / November 15, 2019 /** Premium cannabis brand **Orchid Ventures, Inc.** (CSE:ORCD)(OTCPINK:ORVRF) ("Orchid Ventures" or the "Company") CEO responds to the Oregon Court of Appeals decision to lift the ban on the use of botanical terpenes in cannabis vape products.

"We applaud the decision by the court to lift the ban on the use of botanical terpenes in cannabis vape products. The OLCC did not make the connection that botanical terpenes in vaping products cause lung injuries to consumers. Recent CDC studies have reinforced previous findings regarding the strong link between the use of vitamin-e acetate as a cutting agent that is found in vape products as the likely culprit causing serious lung injuries. As we have stated, we have never used vitamin-e acetate or any other harmful cutting agents in our products. We regularly send our products to various testing facilities and laboratories to ensure that they meet all legal standards set by the OLCC or any other governing body in states and countries where we do business. In addition, we also perform emissions testing on our hardware through independent laboratories. Our goal is to fully understand the performance of our products and the impact on the customer experience. We stand by our product line as the best botanical-based products in the industry. Our mission is to "Create the Highest Standards in Cannabis" and we intend to live up to this by developing high quality products that our customers can depend on." said Corey Mangold, CEO of Orchid Ventures.
