

ORCHID VENTURES PARTNERS WITH DREAMFIELD TRANSFER SERVICES

IRVINE, CA / ACCESSWIRE / November 27, 2019 / Premium cannabis brand company **Orchid Ventures, Inc.** (CSE:ORCD)(OTC PINK:ORVRF) ("**Orchid**" or the "**Company**") announces a collaborative partnership with Dreamfield Distribution in Oregon.

Orchid is excited to announce it has partnered with Dreamfield for logistics support in Oregon. While Orchid is focused on sales and account relationships, Dreamfield is able to provide timely logistics to deliver orders on time and in a cost-effective manner. Dreamfield has been managing logistics for 40+ brands in Oregon for the last 3 years, and after months of due diligence and discussions, Orchid ultimately decided it was the perfect fit.

"Partnering with Dreamfield Transfer Services was the optimum solution for our new distribution entity. Allowing our staff to focus on customer touchpoints, sales, merchandising, and building relationships with retailers will ultimately allow us to sell more product in Oregon and stay keenly focused. Distribution is the most difficult part of the supply-chain and requires software, infrastructure, and knowhow to provide logistics and maintain profits. We thought it best to leave the logistics to the pros, and focus on our strengths of sales & marketing, while still continuing to improve our margins." says Corey Mangold, CEO & Founder of Orchid Ventures.

"Orchid Essentials is a high quality brand that we've seen in the market for years and we're excited to be distributing their products. Dreamfield is brand agnostic which enables us to deliver an excellent customer experience by offering solely logistics services. This enables partners like Orchid to focus on what they do best. Orchid's strategy of focusing on sales and marketing will ensure continued growth of their product lines and creates a symbiotic relationship between our companies. It's mutually beneficial partnerships like this that ensure stability and longevity in our ever changing industry. We look forward to growing with Orchid Essentials." says Nicholas Erler, CEO & Founder of Dreamfield Transfer Services.
