INFORMATION CIRCULAR

as at September 9, 2019, *except as otherwise indicated*

This Information Circular is furnished in connection with the solicitation of proxies by the management of Peekaboo Beans Inc. (the “Company”) for use at the annual general meeting (the “Meeting”) of the Company’s shareholders to be held on October 17, 2019 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “the Company”, “we” and “our” refer Peekaboo Beans Inc. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. The Company has arranged for intermediaries to forward the meeting materials to beneficial owners of Common Shares held as of record by those intermediaries and may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on **any** ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by choosing one of the following methods:

- (a) complete, date and sign the enclosed form of proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("Computershare"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1; or
- (b) use a touch-tone phone to transmit voting choices to the toll-free number given in the proxy. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the proxy access number; or
- (c) log onto Computershare's website at www.investorvote.com. Registered Shareholders must follow the instructions provided on the website and refer to the enclosed proxy form for the holder's account number and the proxy access number.

In either case you must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit a proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the Company's board of directors (the "Board") at its discretion without notice. **Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the Scrutineer before the Meeting. If you have already submitted a Proxy, but choose to change your method of voting and attend the Meeting to vote, then you should register with the Scrutineer before the Meeting and inform them that your previously submitted proxy is revoked and that you personally will vote your Common Shares at the Meeting.**

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (the "intermediary"). In the United States the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "OBOs", for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs", for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 "*Communication with Beneficial Owners of Securities of a Reporting Issuer*" that permit it to deliver proxy-related materials directly to its NOBOs.

As a result NOBOs can expect to receive a scannable Voting Instruction Form (“VIF”) Computershare. The VIF is to be completed and returned to Computershare as set out in the instructions provided on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”) in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder’s representative. If you receive a VIF from Broadridge the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act* of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the “BCA”), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Company at Suite 1500, Royal Centre, 1055 West Georgia Street, P.O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the Registered Shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, and the approval of the share option plan, as described herein.

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and accountable to shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices*.

Board of Directors

In order to identify and manage risks, the Board requires management to provide complete and accurate information with respect to the Company’s activities and to provide relevant information concerning the industry in which the Company operates. The Board is responsible for monitoring the Company’s officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in view of the Company’s Board of Directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Darrell Kopke, Sarah Bundy and Tamara Mimran are the independent members of the Board. Traci Costa is considered non-independent by virtue of her role as President and Chief Executive Officer of the Company.

The operations of the Company do not support a large board of directors and the Board has determined that the current constitution of the Board is appropriate for the Company’s current stage of development. Similarly, given the size of the Company, all the Company’s operations are conducted by a small management team which is also represented on the Board. Individual directors are encouraged to engage an outside advisor at the expense of the Company in appropriate circumstances, and the independent directors have retained independent advice on occasion.

The directors do not hold meetings at which non-independent directors and members of management are not in attendance. However, the Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing and supervising the operations of the Company and are able to meet at any time without the non-independent director being present. At the present time, the Board facilitates the exercise of independent judgment in carrying out its responsibilities by carefully examining all material issues and relying heavily on the advice of outside counsel and other advisors in all appropriate circumstances.

Directorships

No directors are currently serving on boards of other reporting companies (or equivalent).

Orientation and Continuing Education

The Company has not developed an official orientation or training program for new directors, but they are encouraged to communicate with other directors, officers and employees as needed. New directors will have the opportunity to become familiar with the Company with full access to records, meeting with the auditors

and various technical consultants. Orientation activities are tailored to the needs and expertise of each director and the overall needs of the Board. The Company does not have a formal program of continuing education for its directors, but encourages its directors to attend continuing education seminars at the Company's expense, subject to prior approval by management. The Company also liaises with its legal counsel and auditors to keep apprised of any developments and material changes to corporate governance and reporting policies affecting the Company and make the directors aware of any such developments and changes.

Ethical Business Conduct

The Board encourages, monitors and promotes a culture of ethical business conduct of the Company and ensures that it complies with the applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation on the common law, as well as restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board has not appointed a nominating committee as the Board fulfills these functions. When the Board identifies the need to fill a position, either due to a vacancy or as required to carry out the Board's duties effectively and maintain a breadth of experience, the Board requests that current directors put forward potential candidates for consideration.

Compensation

The Human Resources and Compensation Committee is responsible for making recommendations to the Board with respect to compensation for the directors and the CEO. The Board has ability to adjust and approve such compensation. The current members of the Human Resources and Compensation Committee are Darrell Kopke, Chairman and Tamara Mimran.

Market comparisons, as well as evaluation of similar positions in different industries in the same geography, along with individual experience and the diversity such individual brings to the Company's board, are the criteria used in determining compensation.

Other Board Committees

The Board has no committees other than the audit committee and Human Resources and Compensation Committee.

Assessments

The Board takes responsibility for monitoring and assessing its effectiveness and the performance of individual directors and its Audit Committees and Human Resources and Compensation Committee.

The share option plan was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. Management proposes stock option grants to the board of directors based on such criteria as performance, previous grants, and hiring incentives. All grants require approval of the board of directors. The stock option plan is administered by the Board and provides that options will be issued to directors, officers, employees or consultants of the Company or a subsidiary the Company. See “Securities Authorized for Issuance under Equity Compensation Plans” below for further details concerning the Current Plan.

Oversight and Description of Director and NEO Compensation

Elements of the Compensation Program

Subject to availability of funds, the Company may pay its directors a fee of \$1,000 per quarter, together with an additional fee of \$500 per day for travel related to directors’ meetings attended in person. In addition, the members of the Audit Committee and Human Resources and Compensation Committee may each receive a fee of \$1,000 per year per committee. The directors also receive incentive stock options in accordance with the policies of the Plan and applicable securities regulatory authorities and stock exchanges.

The Human Resources and Compensation Committee reviews the compensation payable to the Named Executive Officers on an annual basis, or periodically if needed, and makes recommendations to the Board of Directors.

The objective of the Board of Directors in setting compensation levels is to attract and retain individuals of high caliber to serve the Company, to motivate their performance in order to achieve the Company's strategic objectives and to align the interests of the Named Executive Officers with the long-term interests of the shareholders. These objectives are designed to ensure that the Company continues to grow on an absolute basis as well as to grow cash flow and earnings for Shareholders.

The Board of Directors set the compensation received by the Named Executive Officers so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of employees, market capitalization and profit margin.

The Company compensates its Named Executive Officers based on their skill and experience levels and the existing stage of development of the Company. Named Executive Officers are rewarded on the basis of the skill and level of responsibility involved in their position, the individual’s experience and qualifications, the Company’s resources, industry practice, and regulatory guidelines regarding executive compensation levels.

The Board of Directors has implemented three levels of compensation to align the interests of the executive officers with those of the shareholders. First, Named Executive Officers are paid a monthly consulting fee or salary determined by the Board of Directors, if appropriate. Second, the Board of Directors awards Named Executive Officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board of

Directors may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value.

The base compensation of the Named Executive Officers is reviewed and set annually by the Board of Directors. The Chief Executive Officer has substantial input in setting annual compensation levels. The Chief Executive Officer is directly responsible for the financial resources and operations of the Company. In addition, the Chief Executive Officer and Board of Directors from time to time determine the stock option grants to be made pursuant to the Plan. Previous grants of stock options are taken into account when considering new grants. The Board of Directors awards bonuses at its sole discretion. The Board of Directors does not have pre-existing performance criteria or objectives.

The Board of Directors considers the implications of the risks associated with the Company's compensation policies and practices when determining rewards for its Named Executive Officers and ensures that those policies do not encourage management to take inappropriate or excessive risks. The Board of Directors does not believe that there are any risks arising from the compensation programs that would be reasonably likely to have a material adverse effect on the Company.

Neither Named Executive Officers nor directors are permitted to take any derivative or speculative positions in the Company's securities. This is to prevent the purchase of financial instruments that are designed to hedge or offset any decrease in the market value of the Company's securities.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

Management proposes stock option grants to the Board based on such criteria as performance, previous grants, and hiring incentives. All grants require approval of the Board. The 10% rolling stock option plan is administered by the Board and provides that options will be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company.

CONTINUATION OF SHARE OPTION PLAN

On March 22, 2019, the board of directors approved the adoption a new form of 10% rolling option plan (the “Current Plan”) to replace its former plan dated June 30, 2016 (the “Former Plan”). The Former Plan complied with the policies of the TSX Venture Exchange, but following the Company’s delisting from the TSX-V and listing on the CSE, the board of directors determined it in the best interests of the Company to adopt a new form of plan to comply with the policies of the CSE. All outstanding options granted under the Former Plan have been rolled over into the Current Plan and remain in full force and effect.

Like the Former Plan, under the Current Plan, an aggregate of 10% of the issued and outstanding Common Shares at the time an option is granted, less any outstanding options, are available for issuance to eligible optionees.

Material Terms of the Current Plan

As the Company is now listed on the CSE, pursuant to CSE policies covering option grants, namely CSE Policy 6.5, the Company must:

- (a) not grant options with an exercise price lower than the greater of the closing market prices of the underlying securities on (a) the trading day prior to the date of grant of the options; and (b) the date of grant of the options;
- (b) comply with the provisions of National Instrument 45-106 – *Prospectus Exempt Distributions* (“**NI45-106**”), under which the Company is deemed to be an “unlisted issuer” for the purposes of Division 4 of NI45-106;
- (c) post notice of option grants or amendments in CSE Form 11 immediately following each grant of options by the Company;
- (d) upon first grant of options under the Option Plan, the Company must provide the CSE with an opinion of counsel that all the securities issuable under the option plan will be duly issued and be outstanding as fully paid and non-assessable shares;
- (e) terms of an option granted under the Current Plan may not be amended once issued. If an option is cancelled prior to its expiry date, the company must post notice of the cancellation and shall not grant new options to the same person until 30 days have elapsed from cancellation of the previous options.

The following is a summary of the material terms of the Current Plan.

Eligible Optionees

To be eligible to receive a grant of options under the Current Plan an Optionee must be an executive, or an employee, or a consultant of the Company providing services to the Company or a subsidiary at the time the option is granted.

Administration and Terms of the Current Plan:

- (a) The Current Plan is administered by the Board or its appointed committee.
- (b) The expiry date of an Option shall be no later than the tenth anniversary of the date of grant of the Option.
- (c) Grant and expiry dates, the exercise price, the vesting schedule and the number of Common Shares which may be purchased pursuant to an Option shall be fixed by the Board or its committee appointed to grant options.
- (d) The Company may implement such procedures and conditions as the Board or its committee deems appropriate with respect to withholding and remitting taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law.
- (e) All options granted under the Current Plan expire on a date not later than 10 years after the issuance of such options. However, should the expiry date for an option fall within a trading Black-Out (as defined in the Current Plan, generally meaning circumstances where sensitive negotiations or other like information is not yet public), options may not be exercised during a Black-Out unless the Board or its appointed Committee determines otherwise.
- (f) An Option granted to any Option Holder will continue intact during any military or sick leave or other *bona fide* leave of absence if the period of such leave does not exceed 90 days (or, if longer, for so long as the Option Holder’s right to re-employment or re-engagement by the Company is guaranteed either by statute or by contract.) If the period of such leave exceeds 90 days and the Option Holder’s re-employment or re-engagement is not so guaranteed, then his or her employment or engagement shall be deemed to have terminated on the 91st day of such leave.

- (g) An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder, who may exercise an Option in whole or in part at any time and from time to time following vesting and up to the expiry of the Option by delivering the required notice and payment pursuant to the terms of the Current Plan. Options may not be exercised during a Black-Out unless the Board or its appointed committee determines otherwise.
- (h) The Board reserves the right, subject to regulatory requirements, in its absolute discretion to amend, suspend, terminate or discontinue the Current Plan with respect to all Plan shares in respect of options which have not yet been granted under the Current Plan. Where any amendment relates to an existing Option, if the amendment would:
- materially decrease the rights or benefits accruing to an Option Holder; or
 - materially increase the obligations of an Option Holder;

then, unless otherwise excepted out by the Current Plan, the Committee must also obtain the written consent of the Option Holder in question to such amendment. If at the time the exercise price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced exercise price until the reduction in exercise price has been approved by the disinterested shareholders of the Company, if such disinterested shareholder approval is required by the Exchange.

- (i) A copy of any amendment to the Current Plan shall be promptly provided by the Administrator to each Option Holder.

A copy of the Current Plan is available under the Company's SEDAR profile at www.sedar.com.

At the Meeting, shareholders will be asked to consider, and if deemed advisable, to pass, with or without variation, an ordinary resolution to ratify, confirm and approve the adoption of the Company's Current Plan.

An "*ordinary resolution*" is a resolution passed by the shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

A copy of the Plan will be available for inspection at the Meeting.

Shareholder Approval

At the Meeting, Shareholders will be asked to consider and vote on an ordinary resolution to ratify, confirm and approve the Current Plan, with or without variation, as follows:

“**RESOLVED** as an ordinary resolution, that:

- (a) the Current Share Option Plan dated for reference March 22, 2019 (the “Current Plan”) be ratified, confirmed and approved;
- (b) the number of Common Shares of the Company reserved for issuance under the Current Plan shall not exceed 10% of the Company's issued and outstanding share capital at the time any stock option is granted and all outstanding options be rolled into the Current Option Plan.
- (c) Any one or more of the directors or officers of the Company be authorized to perform all such acts, deeds and things and execute all such documents that may be required to give effect to this resolution.”

Unless otherwise directed, the management designees named in the accompanying proxy intend to vote in favor of the approval of the Current Plan.
