

GLANCE TECHNOLOGIES ANNOUNCES APPOINTMENT OF CHIEF TECHNOLOGY OFFICER

June 6, 2019 – Vancouver, B.C. – Glance Technologies Inc. (“Glance” or the “Company”) (CSE:GET) (OTCQB:GLNNF) (FKT:GJT) is pleased to announce the appointment of Mr. Gary Zhang as the Company’s Chief Technology Officer, effective immediately. Mr. Zhang replaces Angela Griffin in this role.

Gary is a veteran in the software industry both as a senior technical leader and an acknowledged industry high-performance technical leader and manager. Gary has a computer science degree from TianJin University, one of the top technical universities in China, and has been in the technology industry for 20+ years. Along his career path, Gary has worked in technical leadership positions at many Fortune 500 companies and has been a founding member of several successful software start-ups. Since 2010, Gary has been operating his own Software as a Service (“SaaS”) consulting company to help his clients build solid SaaS products, operate profitable SaaS businesses and complete successful digital transformations.

Among his many achievements, Gary was the technical leader in achieving the CRM Solution of the Year in Microsoft Partner Program IMPACT Awards, surpassing dozens of other applicants, and was the second place winner of the CIPS (Canadian Information Processing Society) Application of the Year.

Gary brings extensive technical leadership experience to the Company and will lead our talented and experienced development team to maximize future growth potential.

Angela Griffin will be stepping down from her role as Chief Technology Officer to explore new opportunities. “I have been with Glance from a very early stage and I feel that now is the right time for me to transition and to focus on other priorities” says Ms. Griffin. Angela Griffin’s last day will be June 27th, 2019.

“Angela has been with Glance from its inception and we thank her for her incredible work ethic, creativity, passion, and everything that she has done for the Company” says Desmond Griffin. “While she will be missed by the team, she leaves us well-positioned to advance our strategic priorities. We wish her the very best in the next phase of her journey.”

About Glance Technologies Inc.

Glance Technologies is the owner of [Glance Pay®](#), a smartphone application that enables merchants to provide their customers with quick secure payments, innovative ordering capabilities, digital rewards, and better experiences. Glance offers merchants targeted in-app marketing, geo-targeted digital coupons, customer feedback, in-merchant messaging, custom rewards programs, digital receipts, and digital deals.

Forward-Looking Statements

This press release contains forward-looking information or forward-looking statements (collectively "forward-looking information") within the meaning of applicable securities laws. Forward-looking information is typically identified by words such as: "may", "believe", "thinks", "expect", "exploring", "expand", "could", "anticipate", "intend", "estimate", "plan", "pursue", "potentially", "projected", "should", "will" and similar expressions, or are those, which, by their nature, refer to future events. These forward-looking statements, which involve risks and uncertainties, relate to, among other things, the discussion of Glance's business strategies and its expectations concerning future operations. Although Glance considers these forward-looking statements to be reasonable based on information currently available to it, they may prove to be incorrect, and the forward-looking statements in this release are subject to numerous risks, uncertainties and other factors that may cause future results to differ materially from those expressed or implied in such forward-looking statements. Such risk factors include, among other things, risks that Glance's software and applications may contain security problems, security vulnerabilities, or defects in design or manufacture, including "bugs" and other problems that could interfere with the intended operation of its software, risks related to the volatility of customer demand for Glance's products, and the possibility that the expected benefits from new features will not be realized. The forward-looking information in this press release is also based on certain estimates, forecasts and projections, as well as expectations, beliefs and assumptions, including, among other things, that Glance will be able to achieve its business and technology development objectives. For additional information with respect to these and other factors and assumptions underlying the forward-looking statements in this press release, see the section entitled "Risk Factors" in the most recent Annual Information Form and Prospectus of Glance, which may be accessed through Glance's profile on SEDAR at www.sedar.com. Glance cautions investors that any forward-looking information provided by Glance is not a guarantee of future results or performance, and that actual results may differ materially from those in forward-looking statements. Undue reliance should not be placed on such forward-looking information, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur.
