PRIMARY ENERGY TO COMPLETE SHARE CONSOLIDATION

VANCOUVER, BC, CANADA (February 1, 2019) – Primary Energy Metals Inc. (CSE-PRIM FSE: 1WZ:GR OTC: PEMTF) (“Primary” or the “Company”) announces that its board of directors has approved a consolidation of the Company’s common share share capital on a ten-for-one basis (the “**Consolidation**”). The Company currently has 81,621,570 common shares outstanding, and following completion of the Consolidation it is expected that the Company will have approximately 8,162,157 shares outstanding.

Completion of the Consolidation remains subject to the approval of the Canadian Securities Exchange. The Company will issue a further news release once the effective date for the Consolidation has been confirmed. Following the effective date, registered shareholders can expect to receive a letter of transmittal from the Company’s transfer agent, Computershare Trust Company of Canada, with instructions for exchanging their existing physical share certificates for post-Consolidation certificates.

About Primary Energy Metals Inc.

PRIMARY Energy Metals Inc. (CSE: PRIM FSE:1WZ:GR OTC: PEMTF) is a listed junior exploration and development company and is engaged in the business of acquiring, exploring and developing ethically sourced Vanadium, Cobalt, Copper, and Nickel focussed mineral resource properties to create value for its shareholders. Current projects include Cobalt in Hazelton British Columbia and Quebec, and 2 vanadium permits in Spain.

ACQUISITION FOCUS - Other projects Primary is investigating are in the clean energy sector. In this sector, the Company is focused specifically upon exploration opportunities to source green energy power minerals for use in battery production. Primary’s interests in this sector are guided by the following:

- Identifying opportunities in regions that are conducive to mining due to the regulatory nature of the government with existing infrastructure.
- Identifying opportunities in geographical locations that provide easy access large markets for these metals.
- Identifying opportunities with locations with existing mine shafts.

ON BEHALF OF THE BOARD OF DIRECTORS

Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward- looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co- operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.
