**Aug 12, 2019 – Vancouver, BC – [Isodiol International Inc.](#) (CSE: [ISOL](#)) (OTCQB: [ISOLF](#)) (FSE: [LB6B.F](#)) (the “Company” or “Isodiol”),** provides an update on the delay on the filing of its audited annual financial statements, related management’s discussion and analysis and supporting officer certificates for the financial year ended March 31, 2019 (the “Filings”).

The Company obtained a management cease trade order dated July 30, 2019 from the relevant securities regulators as contemplated by National Policy 12-203 *Management Cease Trade Orders* of the Canadian Securities Administrators

The delay of the Filings resulted from delays in the Company obtaining access to accounting information following dispositions of subsidiaries over which the Company no longer has management influence. The Company notes the audit is nearly complete and continues to expect to file the Filings on or before August 16, 2019.

The Company will comply with the requirements of the alternative information guidelines set out in the National Policy. The Company is not subject to any insolvency proceedings.
