Liht Cannabis Corp. Announces Change To The Board Of Directors

Liht Cannabis Corp. (CSE: LIHT) (OTCQX: LIHTF) or the “Company”) announces, effective today, Corey Klassen has stepped-down from the Board of Directors to allow for and maintain an appropriate balance of experience and perspectives, with the implementation of changes in the near term. Corey will remain a Consultant to the Company.

The Board will appoint an independent director to further develop and structure key operational initiatives to ensure the long-term success of the Company thereby strengthening the trust of our shareholders.

“This is simply a time of growth, transition and incredible opportunity. After 4 very rewarding years and a lot of heavy lifting, its absolutely paramount at this time that Liht establishes and launches itself into the next level of growth. By better positioning itself to attract and solidify that specific expertise of key management for the daunting task of day to day operations, it can simultaneously devote the appropriate time and energy to marketing, brand awareness, new opportunities and very importantly, securing the necessary funding. With that said, I’m absolutely ecstatic at the trajectory Liht is on and by taking on more of a consulting and advisory role I am free to and most effective to tackle the ladder.” Corey Klassen

“We, the Management and Directors of LIHT, would like to thank Corey for his hard work and dedication to this company throughout the last 4

years. He assisted us during a time of growth and helped us obtain the knowledge in this new and blossoming industry. We look forward to continued assistance from Corey, as we move towards the next stage in this company's direction. As we embark with new and exciting times ahead for the company, we must pause and thank all those that have worked very hard to bring the company to where it is today. Corey, your hard work has helped get us to where we are, and we all thank you for your service and wish you well in your endeavors. To the rest of our team and shareholders, there is a lot of hard work and late nights ahead, keep up the great work!" Rahim Mohamed, CEO
