KOPR Point Secures DTC Eligibility

VANCOUVER—May 14, 2019— KOPR Point Ventures Inc. (CSE: KOPR / OTC: NPEZF / FSE: 4NP) (“**KOPR Point**” or the “**Company**”) is pleased to announce that it has achieved DTC eligibility for its common shares from The Depository Trust Company, effective May 8, 2019.

The DTC is a subsidiary of the Depository Trust & Clearing Corp. (DTCC), and manages the electronic clearing and settlement for the vast majority of publicly traded equities and other securities in the United States. Securities that are eligible to be electronically cleared and settled through DTC are considered DTC eligible. This electronic method of clearing securities speeds up the receipt of stock and cash, and thus accelerates the settlement process for investors.

The Company expects to receive approval for its listing on the OTCQB Venture Market in the near term and will update shareholders once it is received.
