Cannabis One intends to conduct its U.S. cannabis operations in a manner consistent with the applicable State laws and in compliance with regulatory and licensing requirements applicable in the applicable State. To the knowledge of Cannabis One, there are to date a total of 33 states, plus the District of Columbia, that have legalized cannabis in some form. Strict compliance with State laws with respect to cannabis will neither absolve Cannabis One of liability under the U.S. Federal law, nor will it provide a defense to any Federal proceeding, which may be brought against Cannabis One. Any such proceedings brought against Cannabis One may materially adversely affect its operations and financial performance in the U.S. market.*
