## NEWS RELEASE

### CIELO ANNOUNCES GRANT OF STOCK OPTIONS

Vancouver, British Columbia, Canada /June 5, 2020 / CSE: CMC, OTCQB: CWSFF Cielo Waste Solutions Corp. ("CIELO" or the "Company") announces that it has granted a total of 5,450,000 incentive stock options to directors, officers, employees and consultants under the Company's stock option plan, which was approved at the Company's Annual General and Special Meeting of the shareholders held on October 29, 2019. The options are exercisable at \$0.10 per share, will vest immediately and will expire on June 5, 2023. The grant of options follows an expiration of 5,500,000 options in late 2019. Following this grant of options, the Company has 10,190,000 stock options outstanding.

On behalf of the Board of Directors of the Company,

**About Cielo Waste Solutions Corp.**

**Cielo Waste Solutions Corp.** is a publicly traded company with its shares listed to trade on the Canadian Securities Exchange ("CSE") under the symbol "CMC", as well as OTC Markets Group, on the OTCQB, under the symbol "CWSFF". CIELO is a waste to renewable fuel company with a game changing technology engineered to help solve the world's garbage crisis. CIELO's technology transforms landfill garbage into renewable high-grade diesel and kerosene (aviation jet fuel). CIELO's proven and patent-pending technology is currently being deployed in the Company's Aldersyde, Alberta Facility, where wood waste is currently being converted into renewable fuels.

CIELO is headquartered in Alberta, Canada with plans to build and operate green facilities across North America as well as globally.

CIELO has already begun expanding its footprint by signing multiple Memorandums of Understanding pursuant to which third parties are in negotiation with CIELO to build, at no cost to CIELO, Joint Venture Renewable Diesel Facilities in Grande Prairie, Calgary, Medicine Hat and Lethbridge, Alberta as well as in Nova Scotia. Each JV Facility is projected to cost approximately \$50 million to build, commission and place on production. CIELO will be the general contractor and operator of all the proposed JV Facilities. The feedstock that will be used in the Company's green facilities is the world's most available and

# CIELO

inexpensive feedstock – garbage; including household, commercial/ construction/demolition garbage, used tires, railway ties and telephone poles as well as all types of plastic that currently cannot be recycled.

### ***Cautionary Note Regarding Forward-looking Statements***

*This News Release contains certain forward-looking statements and forward-looking information (collectively referred to herein as "forward-looking statements") within the meaning of applicable Canadian securities laws. All statements other than statements of present or historical fact are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "anticipate", "achieve", "could", "believe", "plan", "intend", "objective", "continuous", "ongoing", "estimate", "outlook", "expect", "may", "will", "project", "should" or similar words, including negatives thereof, suggesting future outcomes.*

*Forward-looking statements are subject to both known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Company, that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward looking statements. CIELO is making forward looking statements related to the options. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.*

*Forward-looking statements are not a guarantee of future performance and involve a number of risks and uncertainties, some of which are described herein. Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause the Company's actual performance and results to differ materially from any projections of future performance or results expressed or implied by such forward-looking statements. Any forward-looking statements are made as of the date hereof and, except as required by law, neither the Company assumes no obligation to publicly update or revise such statements to reflect new information, subsequent or otherwise. The CSE and the OTCQB have not reviewed and does not accept responsibility for the adequacy or accuracy of the content of this News Release.*
