CGRO News Release

June 15, 2020

Kelowna, British Columbia—Citation Growth Corp. (CSE:CGRO) (OTCQX:CGOTF) (“Citation” or “Company”), a licensed U.S. multi-state cannabis cultivator, producer and retailer, announces today that Citation and its wholly-owned subsidiary Full Spectrum Medicinal Inc. (“FSM”) have entered into a revised letter of intent with Indigenomix (the “June 15 LOI”) for sale of 40 acres of land in Celista, BC, buildings and other assets on the land (the “Assets”). The June 15 LOI represents a revised transaction compared with the previous letter of intent executed on April 8, 2020 between Citation and Indigenomix (the “April 8 LOI”). The June 15 LOI also terminates the April 8 LOI.

Citation intended to execute a Definitive Agreement based on the April 8 LOI on or before June 15, 2020. However, with travel being difficult due to restrictions imposed as a result COVID-19, the Indigenomix group required additional time to finalize their financing.

Citation’s Board anticipates execution of a definitive agreement (the “Definitive Agreement”) to follow within 15 days of this extension with the closing of the transaction (the “Closing”) is expected to be completed in this timeline as well. Citation and Indigenomix have been working together daily to satisfy the terms and conditions of the transaction. The Definitive Agreement will also include Citation supporting Indigenomix on regulatory requirements and an intellectual property license to certain organic growing methodologies and other technology to Indigenomix.
