LINK GLOBAL TECHNOLOGIES ANNOUNCES CORRECTION TO ERROR CONTAINED IN PROXY MATERIALS

VANCOUVER, BC, CANADA, JULY 15, 2020, LINK GLOBAL TECHNOLOGIES INC. (CSE: LNK; FRA: LGT; OTC: LGLOF) (“**LINK**” or the “**Company**”), advises that, due to inadvertent error, the Form of Proxy mailed out to the Company’s registered shareholders with respect to its upcoming Annual General Meeting scheduled for August 7, 2020 (the “AGM”), contained an error.

The Form of Proxy misidentified the accounting firm that management of the Company proposes to have appointed as the Company’s auditors for the ensuing year, by referencing “Wolrige Mahon LLP” instead of “Dale Matheson Carr-Hilton Labonte LLP”. The Management Information Circular on page 11 also contains reference to Wolrige Mahon LLP, where it should instead read Dale Matheson Carr-Hilton Labonte LLP.

The Company will be mailing an amended Form of Proxy to its registered shareholders that correctly identifies Dale Matheson Carr-Hilton as the proposed auditors for appointment at the AGM. The correct Form of Proxy has also been filed and posted on SEDAR, as well as under the Company’s profile on the Canadian Securities Exchange website.

About Link Global Technologies Inc.

Link is engaged in the business of providing infrastructure and operating expertise for digital mining operations. Link's objectives include locating and securing, for lease and option to purchase, properties with access to low-cost reliable power and deploying this low-cost power to conduct digital mining and supply energy and infrastructure for other data-hosting services.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION. *This news release contains forward-looking information that involves various risks and uncertainties regarding future events. Such forward-looking information can include without limitation statements based on current expectations involving a number of risks and uncertainties and are not guarantees of future performance of the Company, such as statements that the Company plans to update, or provide updated information to, its shareholders in the coming weeks. All such forward-looking statements are based on the reasonable beliefs, expectations and opinions of the relevant management as of the date such statements are made; and are subject to risks, uncertainties, assumptions and other factors that may cause actual results, performance or developments to differ materially from those contained in the statements, including risks related to factors beyond the control of the Company. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law. For a complete discussion with respect to the Company and the risks associated with forward-looking statements, please refer to the Company's financial statements and related MD&A, as well as other documents filed from time to time with the Canadian Securities Exchange, the British Columbia Securities Commission and that Alberta Securities Commission, which are filed on SEDAR at www.sedar.com.*
