

Softlab9 Provides Update on CleanGo GreenGo Acquisition

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

August 4th, 2020 – Vancouver, BC. Softlab9 Technologies Inc. (CSE: SOFT; Frankfurt: APO2; OTC: SOFSF) ("**SOFT**" or the "**Company**"), is pleased to provide this update to shareholders on the proposed acquisition of CleanGo GreenGo Inc. (CGGG)

CleanGo GreenGo Calgary Facility Readiness

The Calgary manufacturing, bottling and fulfillment facility for CleanGo GreenGo received the final components for its assembly line. The facility is now fully operational and ready to fulfill orders. There has been an unprecedented demand for its products due to the current pandemic. With the new facility up and running, CleanGo GreenGo is now equipped to meet that demand.

CleanGo GreenGo Audits and Due Diligence

CleanGo GreenGo has retained auditors in Vancouver, B.C. to conduct their audits. Work has commenced on the 2018 and 2019 audits of the company's financials. A review engagement will also be conducted from January 1st, 2020 till June 30, 2020. The company expects these audits to be complete before the end of August 2020, which is in line with the proposed timeline for approval of the closing of CleanGo GreenGo at the Annual General Meeting.

CleanGo GreenGo Opportunities

For the past few months CleanGo GreenGo has been evaluating several opportunities created by the current health crisis. The company continues to pursue prospects related to the disinfectant and sanitizing markets that would complement its current business plan.

Annual General Meeting

The company has set Sept 10, 2020 as the date for the Annual General Meeting (AGM) whereby shareholders will be given an opportunity to vote for the closing of the proposed CleanGo GreenGo acquisition. The AGM will be held at Suite 610-700 West Pender Street, Vancouver, B.C., V6G 1G8.

Rahim Mohamed, CEO of Softlab9 said, "We look forward to completing this transaction with CleanGo GreenGo. We have been closely monitoring the current pandemic situation and looking at potential projects for acquisition that would complement CleanGo GreenGo. We believe there are several items we can add to the CleanGo GreenGo family of products that will create further shareholder value, and also bring value to the CleanGo GreenGo brand."

Anthony Sarvucci, CEO of CleanGo GreenGo said, "We are pleased with the commissioning of our Calgary facility, as this marks a significant milestone for the company. Our ability to control costs and monitor the quality of our 'Made in Canada Products' will help us achieve better margins. We look forward to completing the proposed transaction with Softlab9 and continuing our successful collaboration."
