About PUDO Inc.

PUDO Inc. is North America’s only carrier-neutral parcel pick-up and drop-off counter Network, conceived to resolve the last-mile parcel-traffic-control gridlock that challenges North America’s \$827B retail e-commerce sector, and eliminate over \$6B in door-dropped parcel theft.

PUDO’s team of logistics and parcel traffic management experts have created a plug-and-play, pay-as-you-go platform and Network of parcel pick-up and drop-off storefront counters known as PUDOpoint Counters, strategically located very near to where people live, work and play.

The PUDO model reduces or eliminates crippling last-mile related expenses for online retailers, marketplaces and carrier/delivery partners, with fulfillment and distribution solutions that include parcel storage and consolidation for click-and-collect deliveries, online returns, and the nearly 35% of e-commerce parcels that are undeliverable on first attempt.

Membership in the PUDOpoint Counters Network program offers consumers ‘parcel receipt certainty’, early/late/weekend pick-up and return convenience, 100% elimination of door-drop parcel theft, and a mobile home-away-from-home address Network that goes wherever they do.

The PUDOpoint Counters Network provides all carriers, retailers, and consumers with badly needed cost controls, choice, and convenience.
