Number of Outstanding Listed Securities: [77,666,433 common shares were issued and outstanding as of August 31, 2020](#)

Date: [September 4, 2020 \(for the month of August 2020\)](#)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

[The Issuer is an exploration stage company whose primary activities are acquiring and exploring mineral properties. The Issuer has a 100% interest in the Monster Property located 80 km north of Dawson City, Yukon, it has a 10% working interest in the Wels Gold project located in the Yukon and it recently](#)

increased its lands mass to 4,240 Ha at its HSP Nickel-Copper-PGE project in Quebec.

The Issuer continues to seek opportunities in its primary activities.

2. Provide a general overview and discussion of the activities of management.

During the month of **August 2020**, management's principal activities consisted of:

- announcing that it closed a non-brokered private placement with a lead order from Palisades Goldcorp Ltd., and issued a total of 15,635,000 units at a price of \$0.05 per unit for gross aggregate proceeds of \$781,750;
- mobilizing crews to Dawson City, Yukon in preparation for a drilling program on the Monster IOCG (Iron Oxide Copper Gold) project 90km to the north of Dawson City, Yukon;
