The MD&A is available on the Issuer's SEDAR profile at www.sedar.com.

In addition to the trends and risks detailed in the MD&A, COVID-19 is likely to impact the Issuer:

COVID-19

The outbreak of the corona virus pandemic has impacted the Issuer's plans and activities. The Issuer may face disruption to operations, supply chain delays, travel and trade restrictions and impact on economic activity in affected countries or regions can be expected and can be difficult to quantify. Such pandemics or diseases represent a serious threat to maintaining a skilled workforce industry and could be a major health-care challenge for the Issuer. There can be no assurance that the Issuer's personnel will not be impacted by these pandemic diseases and ultimately that the Issuer would see its workforce productivity reduced or incur increased medical costs/insurance premiums as a result of these health risks. In addition, the COVID-19 pandemic has created a dramatic slowdown in the global economy. The duration of the COVID-19 outbreak and the resultant travel restrictions, social distancing, Government response actions, business closures and business disruptions, can all have an impact on the Issuer's operations and access to capital. There can be no assurance that the Issuer will not be impacted by adverse consequences that may be brought about by the COVID-19 pandemic on global financial markets may reduce resource prices, share prices and financial liquidity and thereby that may severely limit the financing capital available.
