SOFTLAB9's TARGET CLEANGO GREENGO OBTAINS DIN FROM HEALTH CANADA

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

DECEMBER 8, 2020—Vancouver, BC. Softlab9 Technologies Inc. (CSE: **SOFT**; Frankfurt: **APO2**; OTC: **SOFSF**) ("**Softlab9**" or the "**Company**"), is pleased to announce that its target acquisition Clean Go Green Go Inc. ("**CleanGo**" or "**CleanGo GreenGo**") has obtained a Drug Identification Number (DIN) from Health Canada for two of its premier products, *CleanGo GreenGo Industrial Strength* disinfectant and *CleanGo GreenGo Total Purpose* disinfectant.

Anthony Sarvucci, President of CleanGo states, "We are pleased to announce that CleanGo GreenGo received the long-awaited DIN certification from Health Canada on two of our most popular products this week. Both our Total Purpose Cleaning product and our Industrial Cleaning product received this certification. Having the DIN numbers allow us to make disinfecting claims on both of these products. We are able to say with certainty that both products will kill 99.9% of germs, viruses and bacteria on a hard surface. With the current situation in the world this is an important claim to make and more importantly having the Health Canada issued DIN numbers confirms these statements are true and accurate."

Rahim Mohamed, CEO of the Company said, "We believe CleanGo obtaining a DIN from Health Canada for its *CleanGo GreenGo Industrial Strength* disinfectant and *CleanGo GreenGo Total Purpose* disinfectant will be of great benefit in expanding the scope of customers for these products."

CleanGo and Softlab9 entered into a definitive agreement dated November 20, 2020 which constitutes a fundamental change transaction (the "**Transaction**") under the policies of the Canadian Securities Exchange ("**CSE**"). The parties are currently preparing all documentation required to obtain regulatory and shareholder approval for the Transaction, including approval by the CSE. Full details of the Transaction are set out in the Company's press release dated November 23, 2020.

About CleanGo GreenGo

CleanGo GreenGo is an FDA and Health Canada approved Manufacturer of Green, Non-Toxic, and Biodegradable suite of cleaning products for industrial, commercial and consumer markets. CleanGo GreenGo, also manufactures hand sanitizer gel and wipes which are sold throughout the USA and Canada.

The active ingredient in CleanGo GreenGo 's proprietary solution was tested in 2015 by the US EPA and found effective against viruses and bacteria's including the Human Coronavirus on a hard surface. CleanGo's products are sold on various online platforms, including Amazon, as well as through distribution in retail, wholesale, and government agencies. CleanGo GreenGo utilizes a Patent Pending IP. The Patent was filed with the United States Patent and Trademark Office in February 2020 and currently holds a Patent Pending Status.

Forward-looking Information

This news release contains forward-looking statements and forward-looking information (collectively, "for-ward-looking statements") within the meaning of applicable Canadian and U.S. securities legislation, including the United States Private Securities Litigation Reform Act of 1995. All statements in this presentation that are not purely historical are forward-looking statements and include statements regarding beliefs, plans, expectations, and orientations regarding the future, including without limitation statements related to the scope of customers for the CleanGo GreenGo Industrial Strength and CleanGo GreenGo Total Purpose products. Forward-looking statements can often be identified by words such as "will", "plans", "expects", "may", "intends", "anticipates", "believes", "proposes" or variations of such words including negative variations thereof and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. Forward-looking statements are based on certain assumptions by management regarding the Company, including, without limitation, completion of its acquisition of CleanGo GreenGo and shareholder and regulatory approval of the Transaction. Actual results could differ from those projected in any forward-looking statements due to numerous factors including, risks and uncertainties relating to the inability of the Company, to, among other things, obtain any required governmental, regulatory or stock exchange approvals, permits, consents or authorizations required to execute its proposed business plans, and obtain the financing required to carry out its planned future activities. Other factors such as general economic, market or business conditions or changes in laws, regulations and policies affecting the Company's operations may also adversely affect the future results or performance of the Company. The Company can provide no guarantee that it will complete the acquisition of CleanGo GreenGo. Investors are cautioned that forward looking statements are not guarantees of future performance or events and, accordingly are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements. The forward-looking statements included in this news release are made as of the date hereof and the Company does not intend to update or revise any forward-looking statements, except as expressly required by law.
