1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

PUDO is North America's first pick-up and drop-off service that is carrier-neutral ("Network"). Its large Network of convenient locations ("PUDOpoint Counters") ensures reliable and secure delivery where you want it, when you want it. The Issuer is working closely with previously acquired customers to optimize procedures and expand the Network to provide them services where and as they need it. Management of the Issuer continues to work on additional integrations with customers to grow parcel volumes while pursuing new customers and strategic partners.

During the COVID-19 pandemic, the Issuer's employees continued to work from home to manage the PUDO Network in support of its partners. To date, PUDO has been able to continue operations throughout the COVID-19 crisis. As a result of COVID-19 the Issuer did continue to experience a decrease in parcel volume for some services, but it has been offset by additional services being utilized by our partners (i.e., customer drop off of parcel at PUDOpoints for consolidated courier pickups). The PUDO Network continues to show its value as most of the PUDOpoints, that form the PUDO Network, remain open during COVID-19 shut-downs of local services and/or operations implemented by local governments.

Working with existing partners and potential new partners the Issuer continues to actively recruit and add new PUDOpoint locations to support their various requirements and requests.

During the month, the Issuer continued to partner with a large Canadian e-commerce retailer by providing PUDOpoint locations for an alternative direct shipping address. The e-commerce retailer has requested that the Issuer continue to expand their program into additional PUDOpoint locations across the PUDO Network. These locations are displayed as alternative delivery locations during the e-commerce retailer's customer checkout process. During the month, the Issuer continued to support large US e-commerce retailers with approximately 620 PUDOpoints in the US being displayed as alternative delivery locations during the

retailer's customer checkout process and the Issuer continues to actively expand this US Network.

On December 3, 2020, the Issuer announced an agreement with Frontier Distributing ("Frontier") of Fort Erie, Ontario and Buffalo, New York, to utilize Frontier's warehouse space and customs-clearing expertise to expedite e-commerce parcel traffic, most particularly returns, crossing the Canada-US border in either direction.

On December 10, 2020, the Issuer introduced PAGO, its new Pay-As-you-GO service that consolidates 'click and collect' deliveries from any and all online retailers located anywhere in the world, to any Canadian PUDOpoint Counters location close to where consumers live, work, or play.

On December 16, 2020, the Issuer announced an innovative agreement with Payment Source, Canada's premier payment services provider with over 15,000 retail clients nationwide, to accelerate the activation of new PUDOpoint Counters and, at the same time, integrate Payment Source prepaid payment solutions into existing PUDOpoint Counters.

2. Provide a general overview and discussion of the activities of management.

Management of the Issuer continued to work with the Issuer's existing partners to manage the evolving PUDO Network and services, while continually pursuing new strategic opportunities that would enhance and expand the PUDO Network and service offerings to create shareholder value.

During the month management continued to strategically invest in software development to enhance and add new functionality to the Issuer's software technology to manage API integrations of PUDO's various service offerings with current and new partners.

During the month, management of the Issuer completed the Issuer's Q3 FY 2021 unaudited interim financial reports ended November 30, 2020 and filed the approved reports on December 22, 2020. A complete copy of the interim financial statements for the three and nine month periods ended November 30, 2020 and 2019, can be found on the CSE website at www.thecse.com and on SEDAR at www.sedar.com.
