

Rubicon Organics Receives Medical Sales License and Approval for Outdoor Cultivation

VANCOUVER, BRITISH COLUMBIA – May 6, 2020 -- Rubicon Organics Inc. (CSE:ROMJ) (OTCQX:ROMJF) (“Rubicon Organics” or the “Company”) is pleased to announce that it has received its medical sales license, allowing direct to patient sales, as well as approval from Health Canada for certain site amendments. These amendments address the expansion of its licensed area to include an 11-acre outdoor grow site on its 20-acre property located in Delta, BC, Canada (the “Delta Facility”). Rubicon Organics intends to commence outdoor cultivation in 2020.

“I am excited to have a new dimension to our organic certified, licensed Delta Facility and to be able to grow our extensive genetic library outdoors. Our expanded production capacity with our newly licensed outdoor grow is the next milestone that will allow Rubicon Organics to offer a broader portfolio of cannabis products” stated Jesse McConnell, CEO of Rubicon Organics.

In addition to the outdoor grow area and medical sales licensing, Health Canada has also approved a 5,000 sq. ft. expansion to our processing area at the Delta Facility.

ABOUT RUBICON ORGANICS INC.

Rubicon Organics Inc., through its wholly owned subsidiary Vintages Organic Cannabis Company Inc., holds a license to cultivate and process organic certified, super-premium cannabis at its flagship 125,000 sq. ft. state-of-the-art hybrid greenhouse located on a 20-acre property in Delta, BC, Canada. The Company is focused on achieving industry leading profitability through the development of the brand identity Simply Bare™ Organic, that combines the sale of high-margin, super-premium organic products with low-cost sustainable production. The Company is currently ramping up to production capacity of 11,000 kg per year of organic certified and environmentally sustainable cannabis.

Cautionary Statement Regarding Forward Looking Information

This press release contains forward-looking information within the meaning of applicable securities laws. All statements that are not historical facts, including without limitation, statements regarding future estimates, plans, programs, forecasts, projections, objectives, assumptions, expectations or beliefs of future performance, statements regarding Rubicon Organics' proposed path to market are "forward-looking statements". Forward-looking information can be identified by the use of words such as "will" or variations of such word or statements that certain actions, events or results "will" be taken, occur or be achieved. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, events or developments to be materially different from any future results, events or developments expressed or implied by such forward looking statements. The forward-looking information in this press release is based upon certain assumptions that management considers reasonable in the circumstances, including that its capital needs will be as currently projected. Risks and uncertainties associated with forward looking information in this press release include, among others, information or statements concerning the Company's expectations of financial resources available to fund operations; Rubicon Organics' limited operating history and lack of historical profits; obtaining the necessary regulatory approvals; that regulatory requirements will be maintained; general business and economic conditions; the Company's ability to successfully execute its plans and intentions; the Company's ability to obtain financing at reasonable terms through the sale of equity and/or debt commitments; the Company's ability to attract and retain skilled staff; market competition; the products and technology offered by the Company's competitors; that our current relationships with our suppliers, service providers and other third parties will be maintained; and the impact of the current global health crisis caused by COVID-19 pandemic. These factors should be considered carefully and readers are cautioned not to place undue reliance on such forward-looking statements. Although Rubicon Organics has attempted to identify important risk factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other risk factors that cause actions, events or results to differ from those anticipated, estimated or intended. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in forward-looking statements. Rubicon Organics assumes no obligation to update any forward-looking statement, even if new information becomes available as a result of future events, new information or for any other reason except as required by law.
