## CALIFORNIA GOLD ANNOUNCES CLOSING OF PRIVATE PLACEMENT

Toronto, Ontario – California Gold Mining Inc. (CSE:CGM) (“California Gold” or the “Company”) announced today that it has closed the third and final tranche of the previously announced (see press release dated May 21, 2020) non-brokered private placement of up to 4,687,500 common shares at a price of \$0.16 per common share for total proceeds of up to \$750,000 (the “Offering”).

In the third and final closing the Company issued a total of 1,468,750 common shares for gross proceeds of \$235,000. The combined total raised in all three tranches is \$751,800 from the issuance of 4,698,750 common shares.

The common shares issued in this final closing are subject to a four-month hold period expiring on October 30, 2020. The Company intends to use the proceeds of the Offering for working capital and general corporate purposes.

### **About California Gold Mining Inc.**

California Gold Mining Inc. is focused on continued development of a high-quality gold resource on its 100%-owned Fremont property in Mariposa County, California. The Fremont property consists of an entirely private and patented land package totaling 3,351 acres of historically producing gold mines, with a state highway, PG&E electric substation and abundant water present on the property itself. The Fremont property lies within California’s prolific Mother Lode Gold Belt that has produced over 50 million ounces of gold. The Company purchased the Fremont property in March 2013.

The Company also has an outdoor, high-CBD industrial hemp biomass cultivation operation on its Grove Road Farm property in Kendall County, Illinois.

The Company’s technical report in respect of the Fremont Property prepared pursuant to National Instrument 43-101 is available on SEDAR at [www.sedar.com](http://www.sedar.com) and on the Company’s website at [www.caligold.ca](http://www.caligold.ca).
