## CALIFORNIA GOLD ANNOUNCES RELIANCE ON TEMPORARY REGULATORY FILING RELIEF

Toronto, Ontario – California Gold Mining Inc. (CSE:CGM) (“California Gold” or the “Company”) announces that it intends to rely on the temporary blanket relief (“Relief”) for market participants from certain regulatory filings published by Canadian securities regulators on May 20, 2020 as a result of the COVID-19 pandemic.

The Company is relying on the Relief in delaying the filing of its interim financial statements and related management discussion and analysis for the three and nine month period ended May 31, 2020 required pursuant to National Instrument 51-102 Continuous Disclosure Obligations and related certifications of such documents required pursuant to National Instrument 52-109 Certification of Disclosure in Issuer's Annual and Interim Filings (collectively, the "Required Interim Filings") beyond the filing deadline of July 30, 2020, and compliance with the delivery requirements of applicable securities laws relating to the Required Interim Filings.

The officers and directors of the Company and certain other persons will remain subject to a trading black-out that reflects the principles in section 9 of National Policy 11-207 Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions, pursuant to which such persons are prohibited from trading in any securities of the Company until the end of the second full trading day following the day on which the Required Interim Filings are filed on SEDAR and a corresponding news release is issued by the Company.

The Company currently intends to make the Required Interim Filings by August 10, 2020.

Other than the potential impacts to the Company's business from COVID-19, which are not yet known, there have been no material business developments in respect of the Company since the filing of the Company's interim financial statements and related management discussion and analysis for the three and six months ended February 29, 2020 on April 29, 2020 on SEDAR ([www.sedar.com](http://www.sedar.com)).

### **About California Gold Mining Inc.**

California Gold Mining Inc. is focused on continued development of a high-quality gold resource on its 100%-owned Fremont property in Mariposa County, California. The Fremont property consists of an entirely private and patented land package totaling 3,351 acres of historically producing gold mines, with a state highway, PG&E electric substation and abundant water present on the property itself. The Fremont property lies within California's prolific Mother Lode Gold Belt that has produced over 50 million ounces of gold. The Company purchased the Fremont property in March 2013.

The Company also has an outdoor, high-CBD industrial hemp biomass cultivation operation on its Grove Road Farm property in Kendall County, Illinois.

The Company's technical report in respect of the Fremont Property prepared pursuant to National Instrument 43-101 is available on SEDAR at [www.sedar.com](http://www.sedar.com) and on the Company's website at [www.caligold.ca](http://www.caligold.ca).
