   The Issuer is a technology company focused on focused on developing opportunities in clean tech and emerging technologies. The issuer involved in productions of residential and commercial wood pellet in Europe. From January 2020 to the end of November, the Issuer did not carry out any production activities.

2. Provide a general overview and discussion of the activities of management.

   Management cooperates with creditors in order to find a way to satisfy amounts due from creditors. It is the Issuer's intention to raise more capital after completing the settlements with the creditors, to allow the Issuer to reorganize its business.

   During the month of November, management spent significant time working to prepare and file its Consolidated Financial Statements and Management's Discussion and Analysis for the first quarter ended September 30, 2020.

   On November, 2020, the Issuer announced by way of news release it has signed a Letter of Intent dated October 30, 2020 (the "LOI") with Caltron Oil Pty Ltd ("Caltron" or "COPL") to pursue oil and gas acquisitions in the State of California.

   The Issuer and Caltron have entered into the LOI, which sets out certain terms and conditions pursuant to which the proposed Transaction will be completed. The terms outlined in the LOI are subject to the parties successfully entering into a definitive agreement (the "Definitive Agreement") in respect of the Transaction on or before December 31, 2020 or such other date as the Issuer and Caltron may mutually agree.

   G2 is pleased to partner with Caltron whose management team has a proven track record in acquiring, developing and exploiting oil and gas assets in the State of California. Importantly G2 and Caltron are aligned in their strategic objectives for creating shareholder value. The intention of both companies is to focus on conventional oil and gas production assets onshore southern California with activities directed toward the acquisition, development and management of oil and gas fields with material upside.

Caltron has identified an initial portfolio of assets in the prolific Los Angeles Basin. The portfolio includes producing oil fields with associated proven reserves that are cash flow positive at current oil prices. It is the intention of G2, with Caltron's support, to pursue the acquisition of these producing assets as its first transaction. Additional information will be provided concerning the assets after the Issuer has completed its due diligence.

As a result of this transaction G2 will develop on-the-ground operational capabilities and gain access to commercially aligned operational relationships in California, which will enable the identification, acquisition and enhancement of additional production opportunities in line with the Issuer's investment strategy.

Any acquisitions will be subject to the following condition:

- **Further due diligence and technical review by G2 Technologies;**
- **Settlement of various debts and debenture amounts by G2 Technologies;**
- **A restructuring of the capital structure of G2 Technologies;**
- **Closing necessary financing into G2 Technologies in equity, debt or other instrument;**
- **Appointment of various management and operations team members;**
- **Completion of a Definitive Agreement.**

Additional details regarding the Proposed Transaction will be provided in further news releases if and when the parties enter into the Definitive Agreement. The Definitive Agreement will incorporate the principal terms of the Proposed Transaction described herein and may be modified by agreement between the Issuer and Caltron prior to finalizing the Definitive Agreement. In addition, more detailed terms and conditions of the structure and nature of the Proposed Transaction will be made available after receiving further tax, legal, securities, regulatory and financial advice.

The Transaction is considered to be an arms-length transaction. The LOI also contemplates other material conditions precedent to the closing of the Transaction, including compliance with all applicable regulatory requirements and receipt of all necessary regulatory, corporate, third-party, board and if required shareholder approvals being obtained, including the approval of the Canadian Securities Exchange. There can be no assurance that the Transaction will be completed as proposed, or at all.

ECMB Capital Partners together with Pimlico Capital Partners are financial advisors for this transaction.
