About "Next Super Stock Live!" Conference

Wall Street Reporter's "NEXT SUPER STOCK Live!" conference is dedicated to featuring select companies that have near-term catalysts in place which can drive transformational growth (and stock appreciation) in the months ahead.

About Imagination Park

Imagination Park Technologies Inc. (CSE: IP) (OTC: IPNFF) has developed ImagineAR.com; an "AR-as-a-Service" platform for desktops that enables businesses of any size to create and implement their own AR campaigns with no programming or technology experience. Every organization, from professional sports franchises to small retailers, can develop interactive AR campaigns that blend the real and digital worlds using ImagineAR™. Customers simply point their mobile device at logos, signs, buildings, products, landmarks and more to instantly engage videos, information, advertisements, coupons, 3D holograms and any interactive content all hosted in the cloud and managed using a menu-driven portal. Integrated real-time analytics means that all customer interaction is tracked and measured in real-time. The ImagineAR.com mobile app is available in the IOS and Android mobile app stores.
