ImagineAR Inc. Interim Filings Update

VANCOUVER, BC – April 24, 2020 — ImagineAR Inc (the “Company”) (CSE:IP) is providing an update on the status of the filing of its interim financial statements and accompanying management’s discussion and analysis and related CEO and CFO certificates for its interim consolidated financial statements for the period ended February 29, 2020 (collectively “Quarterly Filings”).

On March 18th, 2020, the Canadian Securities Administrators (CSA) announced that they will provide issuers with a 45-day filing extension for filings required on or before June 1, 2020 to allow issuers the time needed to focus on the many other business and financial reporting implications of COVID-19. ImagineAR will rely on this exemption with respect to the Annual Filings in accordance with BC Instrument 51-515, *Temporary Exemption from Certain Corporate Finance Requirements*.

The Company is continuing to work diligently and expeditiously to file its Interim Filings before June 15, 2020. In the interim, management and other insiders of the Company are subject to a trading black-out policy that reflects the principles in section 9 of National Policy 11-207 *Failure to-File Cease Trade Orders and Revocations in Multiple Jurisdictions*.

The Company confirms that since the filing of its interim consolidated financial statements for the period ended November 30, 2019 there have been no material business developments other than those disclosed through news releases.
