

ImagineAR Announces Augmented Reality Partnership with North Highland, Ranked By Forbes As One Of America's Best Management Consulting Firms In 2020

VANCOUVER, BC and ERIE, Pa., June 4, 2020 /CNW/ - [ImagineAR](#) (CSE: IP) (OTCQB: IPNFF) an Augmented Reality Company that enables businesses to create their own mobile phone AR campaigns, is pleased to announce the signing of a partnership with North Highland, a top ranked global consulting firm with over 5,000 consultants and 70 offices around the world. North Highland was ranked on the Forbes 2020 America's Best Management Consulting Firms list, placing in seven categories, including one of only 31 firms ranked for Internet, Media and Entertainment.

NORTH HIGHLAND ADDS ImagineAR™ AUGMENTED REALITY PLATFORM TO ITS SERVICES FOR GLOBAL CLIENTS

North Highland specializes in many areas to serve its global customer base, including the Media, Entertaining and Communications sectors, at its core the firm is the world's leading change and transformation consultancy. With Augmented Reality expected to play an increasing role in both the enterprise and consumer markets, proper adoption of AR solutions will be important for companies who are seeking to expand their capacity of digital and embrace new technologies.

The addition of the ImagineAR™ Augmented Reality platform to North Highland services will provide the firm with another innovative option to deliver fully immersive mobile experiences to their exclusive list of global clients.

"We are known for helping clients solve their most complex business challenges through innovative offerings, unique insights and our depth of core consulting capabilities from strategy through delivery" stated Jason Jercinovic, VP of Technology. "Augmented Reality is a rapidly accelerating area that will require helping our clients to navigate and implement the best possible solutions. The ImagineAR™ Augmented Reality platform is one of the solutions to help achieve those goals."

"ImagineAR is honored to be working with one of the most respected and recognized global consulting companies in the world" said ImagineAR CEO and Founder Alen Paul Silverstieen. "We look forward to working with North Highland in many new potential vertical markets with our AR platform which they service clients including Live Sciences, Financial Services, Transportation and others."

About ImagineAR

ImagineAR Inc. (IP:CSE) (IPNFF: OTCQB) is an augmented reality (AR) platform, ImagineAR.com, that enables businesses of any size to create and implement their own AR campaigns with no programming or technology experience. Every organization, from professional sports franchises to small retailers, can develop interactive AR campaigns that blend the real and digital worlds. Customers simply point their mobile device at logos, signs, buildings, products, landmarks and more to instantly engage videos, information, advertisements, coupons, 3D holograms and any interactive content all hosted in the cloud and managed using a menu-driven portal. Integrated real-time analytics means that all customer interaction is tracked and measured in real-time. The AR Enterprise platform supports both IOS and Android mobile devices and upcoming wearable technologies. ImagineAR is available as an SDK to be integrated into existing mobile apps.
