## **MONTHLY PROGRESS REPORT**

Name of CNSX Issuer: **Tocvan Ventures Corp.** (the "Issuer").

Trading Symbol: **TOC**

Number of Outstanding Listed Securities: **18,440,927**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**The Issuer is a mineral exploration company primarily focused on the exploration and development of its Pilar Gold Project ("Pilar") and its Rogers Creek property ("Rogers Creek").**

**Pilar is located near the town of Suaqui Grande in Sonora, Mexico. Pilar consists of two concessions, the Guadaloupana concession and the La Sonora concession, totaling 105 hectares. Rogers Creek is located in the Lower Lilloet River valley, approximately 90 km northeast of Vancouver, and 28 km south of Pemberton. It consists of 47 contiguous claims totalling**

**212 square kilometres. The Issuer continues to evaluate the results of its initial exploration activities.**

2. Provide a general overview and discussion of the activities of management.

**In June 2020 the Issuer's management assimilated and assessed data for the Pilar property. Assay results were returned for the soil survey program and were assessed and interpreted in context with previous geophysics results. Administrative preparatory work continued with contractors in order to facilitate future work.**

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

**In June the Issuer conducted no activity on the Rogers Creek property.**

**In June the Issuer continued with an exploration program on the Pilar property. Assay results were returned for the soil survey program and were assessed and interpreted in context with previous geophysics results. Assay results showed high grade gold and silver along trends, and a new zone of mineralization was indicated with the results. Administrative preparatory work continued with contractors in order to facilitate future work.**
