Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.
 - The first quarter 2020 was a transition period to build the Board and having in place new management team that was affected heavily by covid19 development slowing down all the business activity in particular during this stage of overall repositioning of the company
 - Just end of March. UPCO finalized a distribution agreement for bringing inside UPCO portfolio products a new service built on eSIM technology to provide data-roaming facilities when travelling to have access to competitive roaming rates. Due to the current Pandemic situation the sales process will take more time and it will slow down the process of promoting the services due to the market sentiment about travelling.
 - The Issuer's subsidiary is starting to create a full operation team to integrate the new acquisition target inside the organization. Due to the decision of building the new team, the process of M&A was under reconsideration during the first quarter and new plan will be released by May 2020.
- Provide a general overview and discussion of the activities of management.
 - The issuer worked on further developing its mobile App and also its VOIP whole business, Upco released a new update of the application with improvement, bug fixes and two new Language support, it is also complete the full API for the eWallet and Upco Is preparing the Graphic to deploy it in the app.
- Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

- The Middleware UpcoPay is now under test for hosting Crypto Currency and exchanging fiat Currency within the same environment.
- Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.
- N/A
