

## EnviroGold Global Provides CEO Updates

*CleanTech company provides updates on CEO Dr. Mark Thorpe*

TORONTO, July 26, 2021 - EnviroGold Global Limited (“**EnviroGold Global**” or the “**Company**”) (CSE:NVRO), a clean technology company accelerating the world’s transition to a circular resource economy, is pleased to provide the following updates on CEO and Director, Dr. Mark Thorpe.

In May 2021, EnviroGold Global announced the appointment of ESG and sustainability leader Dr. Mark Thorpe as CEO and member of the Board of Directors. Dr. Thorpe, who has a PhD in Mine Land Rehabilitation, brings decades of experience as a senior executive in mining, sustainability, and environmental operations with a professional background that includes senior positions at Placer Dome, Golden Star Resources, and Torex. (see [link](#) to EnviroGold Global’s leadership team)

EnviroGold Global is pleased to announce that Dr. Thorpe has recently been appointed as Chair of the Board of Directors for the Canadian Mining Innovation Council, an organization where he previously served as the Vice - Chair.

EnviroGold Global is also pleased to announce that Dr. Mark Thorpe has accepted an invitation to provide a technical presentation at the annual convention for the Society of Mining, Metallurgy and Engineering (SME). SME is the leading professional association for mining, metallurgy, and related engineering. Dr. Thorpe intends to present on the rehabilitation abandoned mine sites for the enhancement of wildlife habitat.

Commenting on Dr. Thorpe’s achievements, EnviroGold Global Chairman, Mr. David Cam, said, “We are thrilled that Mark has been honored with the opportunity serve as Chair of the Board of the Directors of the Canadian Mining Innovation Council. The Council will continue to benefit from Mark’s expertise, professionalism, and unwavering commitment to sustainability and responsible resource development. Likewise, we’re excited for Mark’s upcoming presentation at SME and are looking forward to the opportunity to showcase EnviroGold Global’s world-class ESG and resource recovery expertise.”

### **About EnviroGold Global**

Headquartered in Toronto, Canada, EnviroGold Global is a clean technology company capitalizing on environmental stewardship and sustainably supplying the world’s increasing demand for precious, critical, and strategic metals by reclaiming unrecovered value from mine tailings and resource development waste streams. EnviroGold Global leverages proprietary technology, superior operationalized knowledge, and an agile, efficient culture to recover valuable metals, recharge critical resources and accelerate the world’s transition to a sustainable circular resource economy. EnviroGold Global is actively expanding the Company’s significant reprocessing pipeline.
