Trading Symbol: [NVRO](#)

Number of Outstanding Listed Securities: [183,381,153 common shares as at July 31, 2021](#).

Date: [August 6, 2021 \(for the month of July 2021\)](#)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer is a clean technology company that is capitalizing environmental stewardship and sustainably supplying the world's increasing demand for precious, critical and strategic metals by profitably reclaiming unrecovered value from mine tailings and resource development waste streams. The Issuer leverages proprietary technology, superior operationalized knowledge and an agile, efficient culture to recover valuable metals, recharge critical natural resources and accelerate the world's transition to a sustainable circular resource economy.

2. Provide a general overview and discussion of the activities of management.

During the month ended **July 2021**, the Issuer's principal activities consisted:

- completing its previously announced business combination where it changed its name from "Range Energy Resources Inc." to "EnviroGold Global Limited" ("EGGL"), and then acquired EnviroGold Global (CAN) Ltd. ("EnviroGold Global"). The Transaction was completed by way of a three-cornered amalgamation (the "Amalgamation") pursuant to which EnviroGold Global amalgamated with a wholly-owned subsidiary of the Company, and the Company acquired all the issued and outstanding common shares of EnviroGold Global (the "EnviroGold Global Shares") in exchange for its common shares ("EGGL Shares") on the basis of one EGGL Share for each EnviroGold Global Share issued and outstanding, as a result of which EnviroGold Global became a wholly-owned subsidiary of the Company. The Amalgamation also provides that all outstanding options, restricted share units and warrants to purchase EnviroGold Global Shares remain outstanding and now entitle the holders thereof to acquire equivalent securities of EGGL in lieu of EnviroGold Global on the same terms and conditions;
- prior to the closing of the Transaction, completing a non-brokered private placement (the "Unit Financing") resulting in the sale of an aggregate of 8,201,413 units (the "Units") at a price of \$0.56 per Unit, each comprised of one (1) EnviroGold Global Share and three (3) subscription receipts of EnviroGold Global (the "Subscription Receipts") for aggregate gross proceeds of approximately C\$4,592,791.28 (the "Offering"). The proceeds from the Subscription Receipt portion of the Offering were placed into escrow on completion of the Offering. Immediately prior to the completion of the Transaction, the Subscription Receipts were converted on a one-for-one basis into EGGL Shares. The escrowed proceeds from the Offering, less certain transaction fees and expenses, have been released from escrow to

EGGL. Outstanding finder warrants issued in connection with the Offering remain outstanding and now entitle the holders thereof to acquire equivalent securities of EGGL in lieu of EnviroGold Global on the same terms and conditions;

- announcing that Davidson & Company LLP will replace Manning Elliott, Chartered Accountants as the auditor of the Company;
- announcing that its common shares have been approved for listing on the Canadian Securities Exchange (the "CSE") and commenced trading on the CSE under the ticker symbol "NVRO" as of market open on July 16th, 2021 (EST);and
- of general management and administrative matters.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The trends and risks which are likely to impact the Issuer are detailed in the Issuer's Management Discussion and Analysis for the period ended March 31, 2021 dated as of May 31, 2021 (the "MD&A") under the headings "Financial Instruments", "Risks" and "Risks and Uncertainties". The MD&A is available on the Issuer's SEDAR profile at www.sedar.com and on the Issuer's disclosure hall with the CSE at www.thecse.com.

Additional trends that are likely to impact the Issuer include:

The outbreak of the coronavirus (“COVID-19”) pandemic has impacted the Issuer’s plans and activities. The Issuer may face disruption to operations, supply chain delays, travel and trade restrictions and an impact on economic activity in affected countries or regions can be expected and can be difficult to quantify. Such pandemics or diseases represent a serious threat to maintaining a skilled workforce and could be a major health-care challenge for the Issuer. There can be no assurance that the Issuer’s personnel will not be impacted by these pandemic diseases and ultimately that the Issuer would see its workforce productivity reduced or incur increased medical costs/insurance premiums as a result of these health risks. In addition, the COVID-19 pandemic has created a dramatic slowdown in the global economy. The duration of the COVID-19 outbreak and the resultant travel restrictions, social distancing, Government response actions, business closures and business disruptions, can all have an impact on the Issuer’s operations and access to capital. There can be no assurance that the Issuer will not be impacted by adverse consequences that may be brought about by the COVID-19 pandemic on global financial markets may reduce resource prices, share prices and financial liquidity and thereby that may severely limit the financing capital available.
