The trends and risks which are likely to impact the Issuer are detailed in the Issuer’s Management Discussion and Analysis for the period ended June 30, 2021 dated as of August 27, 2021 (the “MD&A”) under the headings “Financial Instruments”, “Financial Risk Management”. The MD&A is available on the Issuer’s SEDAR profile at www.sedar.com and on the Issuer’s disclosure hall with the CSE at www.thecse.com. Additional trends that are likely to impact the Issuer include:  
The outbreak of the coronavirus (“COVID-19”) pandemic has impacted the Issuer’s plans and activities. The Issuer may face disruption to operations, supply chain delays, travel and trade restrictions and an impact on economic activity in affected countries or regions can be expected and can be difficult to quantify. Such

pandemics or diseases represent a serious threat to maintaining a skilled workforce and could be a major health-care challenge for the Issuer. There can be no assurance that the Issuer's personnel will not be impacted by these pandemic diseases and ultimately that the Issuer would see its workforce productivity reduced or incur increased medical costs/insurance premiums as a result of these health risks. In addition, the COVID-19 pandemic has created a dramatic slowdown in the global economy. The duration of the COVID-19 outbreak and the resultant travel restrictions, social distancing, Government response actions, business closures and business disruptions, can all have an impact on the Issuer's operations and access to capital. There can be no assurance that the Issuer will not be impacted by adverse consequences that may be brought about by the COVID-19 pandemic on global financial markets may reduce resource prices, share prices and financial liquidity and thereby that may severely limit the financing capital available.
