Nabati Foods Products Now Available Via Online Marketplace Vejii

Nabati Foods' plant-based products are now available on Vejii in the U.S. and Canada

Vancouver, B.C. – November 4, 2021 – Nabati Foods Global Inc. (CSE: MEAL) (FSE:7UW) ("**Nabati Foods**" or the "**Company**"), a plant-based food technology company offering whole, natural, plant-based foods for health-conscious consumers, is announcing a distribution deal with Vejii, a leading online marketplace for ethical and plant-based products.

Vejii has listed Nabati Foods dairy-free cheesecakes and plant-based meats for sale in Canada and has listed its entire product line in the U.S. including its plant-based Nabati Cheeze and Nabati Plant Eggz™ as well.

Vejii provides consumers with easy access to thousands of vegan and plant-based products in one place through a robust, unified digital marketplace and fulfillment platform. It offers an easy-to-use, omnichannel experience for consumers and leverages big data and artificial intelligence to connect brands with a targeted consumer base.

"We've seen an explosion in online shopping during the pandemic, and that will likely continue as consumers have established new habits and rhythms. We are catering to this by expanding our digital footprint with specialized platforms like Vejii," Nabati Foods CEO Ahmad Yehya said.

Nabati Foods' products are served across Canada, the U.S., and internationally. All Nabati Foods products are kosher, vegan, egg-free, dairy-free, gluten-free, and made without GMOs or refined sugar.

"Nabati Foods has invested in rigorous food science R&D to make sure all our plant-based products mirror and even exceed the taste and experience of conventional dairy or animal products to make substituting the healthier options easy for both novice and experienced chefs," Yehya added. "We believe that plant-based, healthy eating doesn't need to feel like a trade-off."
