

EMPOWER CLINICS KAI MEDICAL LABORATORY SECURES COVID-19 TESTING CONTRACT FOR LARGE GAMING EVENT IN LAS VEGAS

Kai Medical Laboratory to Provide Over 6,000 Rapid Antigen and PCR COVID-19 Tests

VANCOUVER, BC: December 13, 2021 – **EMPOWER CLINICS INC. (CSE:CBDT)(Frankfurt:8EC)(OTCQB:EPWCF)** ("**Empower**" or the "**Company**") an integrated healthcare company - serving patients through medical centers, telemedicine platforms, a medical device company, and a high complexity medical diagnostics laboratory – is proud to share that Kai Medical Laboratory ("**Kai Labs**") was selected as the COVID-19 testing partner for the Gala Games Conference ("**Conference**") in Las Vegas, Nevada. The Conference is held December 11th-13th, 2021, with the Kai Labs team onsite for more than ten days to provide screening and testing services.

The Conference is a multi-day event that marks one of the largest gaming events in the U.S. The sold-out event will welcome thousands of individuals to participate in onsite competitions and other in-person activities around blockchain and NFT gaming.

Kai Medical Laboratory, under the guidance of public health experts, and blockchain gaming powerhouse Gala Games, have meticulously developed multi-layered COVID testing plans for the large in-person event in the city of Las Vegas. All attendees and staff are required to take a test prior to entry on each day of the Conference. The Kai Labs medical team is prepared to conduct and manage secondary screening of individuals who may test positive through a rapid antigen test by administering a molecular test using the latest point-of-care rapid RT-PCR test equipment.

Kai Labs comprehensive strategies for the Conference keep all event attendees' health and safety at the forefront of their COVID testing process. Under the leadership of Yoshi Tyler, the COVID compliance officer, Kai is offering a paperless registration via scannable QR codes from any mobile device, tables spaciouly separated to align with social distancing practices, and rigorous sanitizing processes.

"As we continue to return to life in-person, testing and vaccinations will remain pillars of everyday life," said Steven McAuley, Chairman and CEO of Empower. "Our team is proud to assist a Las Vegas conference with reliable and convenient COVID-19 testing to safeguard their event. We're focused on leveraging our recently expanded lab facilities towards other potential event and enterprise contracts for COVID-19 testing and vaccinations."

Yoshi Tyler, Kai Medical Laboratory President, added, "Returning to in-person events is an exciting step forward but doing so safely is of the utmost importance. I'm thrilled to see our team hit the ground running to provide Gala Games with a reliable, integrated testing system that streamlines the attendee's experience."

Booster shots and convenient testing options continue to see high demand across business and event operations in North America as variants are circulating worldwide. [The CDC encourages](#) event organizers to implement various prevention strategies such as entry testing, encouraging vaccinations, wearing masks, physical distancing, washing hands, and routine surface cleaning.

Kai Labs is equipped to provide state-of-the-art, convenient COVID-19 testing for events and operations of all sizes. The Texas-based facility can also offer COVID-19 vaccinations to Americans aged five and older.

DISCLAIMER FOR FORWARD-LOOKING STATEMENTS

This news release contains certain "forward-looking statements" or "forward-looking information" (collectively "forward looking statements") within the meaning of applicable Canadian securities laws. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Forward-looking statements can frequently be identified by words such as "plans", "continues", "expects", "projects", "intends", "believes", "anticipates", "estimates", "may", "will", "potential", "proposed" and other similar words, or information that certain events or conditions "may" or "will" occur. Forward-looking statements in this news release include statements regarding: the Company's plans with respect to the offering of other Empower services and products at the Mississauga clinic; and the number, timing and location of anticipated future TMC clinic openings. Such forward-looking statements are based on assumptions known to management at this time, and are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the forward-looking statements, including: that the Company may be unable to enter into definitive agreements, or close transactions with respect to, proposed future clinic openings; that due diligence with respect to anticipated clinic openings and acquisitions may not be satisfactory to the Company; risks related to delays in permitting or construction; risks related to supply chains and access to labour; that legislative changes may have an adverse effect on the Company's business and product development; that the Company may not be able to obtain adequate financing to pursue its business plan; that the Company will be able to commence and/or complete build-outs and tenants improvements for new clinics; general business, economic, competitive, political and social uncertainties; and other factors beyond the Company's control. No assurance can be given that any of the events anticipated by the forward-looking statements will occur on the terms or in the time expected, or at all, or, if they do occur, what benefits the Company will obtain from them. Readers are cautioned not to place undue reliance on the forward-looking statements in this release, which are qualified in their entirety by these cautionary statements. The Company is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements in this release, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities laws.
