### **MONTHLY PROGRESS REPORT**

Name of Listed Issuer: [Gold'n Futures Mineral Corp.](#) (the "Issuer").

Trading Symbol: [FUTR](#)

Number of Outstanding Listed Securities: [145,767,587 common shares were issued and outstanding as of November 30, 2021](#)

Date [December 1, 2021 \(for the month of November 2021\)](#)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

[The Issuer is an exploration mining company carrying on the business of the acquisition and exploration of properties for mining of precious and base metals.](#)

2. Provide a general overview and discussion of the activities of management.

During the month of **November 2021**, management's principal activities consisted of announcing an Memorandum of Understanding ("**MOU**") relating to the Company's Hercules Gold project located in Ontario; and attending to general administrative matters.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

During the first two weeks of November, GoldSpot completed its proprietary airborne geophysical surveys on the Hercules property, utilizing its Multi-Parameter Airborne Survey System ("**M-PASS**") with Triaxial Magnetic Gradiometer and Very Low Frequency Electromagnetic (VLF-EM) Platform. The airborne surveys covered the entire 109 square kilometres of the Hercules property, flying approximately 1,200 line-kilometres with 100-metre line spacing. The Company anticipates GoldSpot will be delivering its preliminary findings of the airborne geophysical surveys in December, 2021. In addition, GoldSpot will use its artificial intelligence algorithms to reinterpret the Hercules property's structural geology, resource geology, and geophysical surveys to put together the highest priority targets for exploration and drilling and, over the coming months, present its recommendations to Gold'n Futures.

In mid-November 2021, the Company received its exploration permit that is effective for a period of three years. The Company plans to commence its inaugural drill program on Hercules property before the end of November. The Company expects the first round of drilling to be completed before the December holidays with resumption of the continuing drill program in mid-January.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

There was no drill, exploration or production programs discontinued during the month of **November 2021**.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

On November 23, 2021, the Company announced it had signed an MOU with the three local Anishinaabe First Nations respecting the Hercules Gold Project. The First Nations that are party to the MOU are Animbiigoo Zaagi'igan Anishinaabek ("**AZA**"), Bingwi Neyaashi Anishinaabek ("**BNA**") and Biinjitiwaabik Zaaging Anishinaabek ("**BZA**"). As the Hercules project lies within their traditional territories, the First Nations are important stakeholders in Hercules project and its

exploration programs. The Company, AZA, BNA and BZA are collectively referred to as the “Parties”.

The MOU sets out a communication protocol between the Parties, establishes a framework for the relationship between the Parties and charts a negotiating path for a pending Exploration Agreement. In addition, the MOU marks the completion of the very important review and approval of Gold’n Futures’ exploration permit, allowing the Ontario Ministry of Northern Development and Mines Natural Resources and Forestry, Mineral Development Branch (NDMNR) to issue the work permit. The immediate next step will be the commencement of negotiations towards executing the Exploration Agreement between Gold’n Futures and the First Nation communities.

This transaction is not with Related Persons.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer’s affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

There were no contracts or agreements between the Issuer, the Issuer’s affiliates or third parties that terminated or expired and there were not any previously announced financing arrangements that terminated during the month of **November 2021**.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer’s assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

There were no acquisitions or dispositions of the Issuer’s assets during the preceding month of **October 2021**.

8. Describe the acquisition of new customers or loss of customers.

[In addition to the trends and risks detailed in the MD&A, COVID-19 is likely to impact the Issuer:](#)

## COVID-19

The outbreak of the corona virus pandemic has impacted the Issuer's plans and activities. The Issuer may face disruption to operations, supply chain delays, travel and trade restrictions and impact on economic activity in affected countries or regions can be expected and can be difficult to quantify. Field exploration programs on both the Cree Lake and Hercules assets have been impacted by the emerging and ongoing COVID-19 pandemic and resulting economic crisis. The crisis is expected to result in substantial economic uncertainty. In addition, the COVID-19 pandemic has created a dramatic slowdown in the global economy. The duration of the COVID-19 outbreak and the resultant travel restrictions, social distancing, Government response actions, business closures and business disruptions, can all have an impact on the Issuer's operations and access to capital. There can be no assurance that the Issuer will not be impacted by adverse consequences that may be brought about by the COVID-19 pandemic on global financial markets may reduce resource prices, share prices and financial liquidity and thereby that may severely limit the financing capital available.

## Certificate of Compliance
