

United Lithium Corp. Announces Termination of Property Option Agreement with Wealth Minerals Limited

Vancouver, British Columbia

March 26, 2021 – Vancouver, B.C. – United Lithium Corp. (CSE: ULTH; OTC: ULTHF; FWB: OUL) (“**ULTH**” or the “**Company**”), announces that further to its news release dated November 2, 2020, after careful consideration and having particular regard to the timing and other opportunities available to the Company, it has determined not to proceed forward with the earn-in agreement with Wealth Minerals Limited in regards to the Harry Project and Vapor Projects, respectively (“**Projects**”).

The Company will continue to focus its time and resources on the Barbara Lake Lithium Project and to prepare for its drilling program at the Bergby Lithium Project, in respect of which the Company has entered into a definitive agreement (see news release dated February 24, 2021). The Company would like to wish Wealth Minerals success with moving the Projects forward and looks forward to potentially working together in the future.

In addition, the Company has re-engaged Digitonic Ltd. in the amount of USD \$400,000 to provide marketing and publication services to assist in creating and increasing public awareness of United Lithium’s activities, strategic plans and investment opportunities.

Forward Looking Statements

This news release contains certain forward-looking statements within the meaning of applicable securities laws. All statements that are not historical facts, including without limitation, statements regarding future estimates, plans, programs, forecasts, projections, objectives, assumptions, expectations or beliefs of future performance, including statements regarding the expected completion of the acquisition of the Bergby

Lithium Project and the Company's intention to seek other opportunities, are forward-looking statements. These forward-looking statements reflect the expectations and beliefs of management of the Company based on information currently available to it. Forward-looking statements are subject to a number of risks and uncertainties, including those detailed from time to time in filings made by the Company with securities regulatory authorities, which may cause actual outcomes to differ materially from those discussed in the forward-looking statements. These factors should be considered carefully and readers are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements and information contained in this news release are made as of the date hereof and the Company undertakes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.

The CSE does not accept responsibility for the adequacy or accuracy of this release
