

LIDA RESOURCES ANNOUNCES PASSING OF CEO

Vancouver, British Columbia (June 4, 2021) – Lida Resources Inc. (CSE: LIDA, OTC: LDDAF) ("**Lida**" or the "**Company**"), a Canadian exploration company currently targeting exploration in Peru, announces, with great sadness, the death of its CEO and Director, Leonard De Melt.

After being involved in many mine start-ups and discoveries in North America, Leonard built his mining empire and legacy in Peru by pioneering and championing numerous explorations and mining development initiatives in Peru including Norsemont, which now represents 2 % of Peru's GDP. Leonard was a founding shareholder of Lida and the Board's thoughts are with his family at this very difficult time.

About Lida Resources Inc.

Lida acquires properties by staking initial mineral claims, negotiating for permits from government authorities, acquiring mineral claims or permits from existing holders, entering into option agreements to acquire interests in mineral claims or purchasing companies with mineral claims or permits. On these properties, the Company explores for minerals on its own or in joint ventures with others. Exploration for metals usually includes surface sampling, airborne and/or ground geophysical surveys and drilling. The Company is not limited to any particular metal or region, but the corporate focus is on precious and base metals in South America, specifically Peru, as at the date hereof.
