

CleanGo GreenGo Innovations Inc. Engages Dwayne Sorobey and Bluefish Capital Ventures

Vancouver, B.C. – November 16, 2021: CleanGo Innovations Inc. (CSE: CGII) (OTC PINK: SOFSF) (FRA: APO2) ("CleanGo") or (the "Company") is pleased to announce that it has retained Dwayne Sorobey as a Capital Markets consultant. Mr. Sorobey has been engaged to heighten market and brand awareness for CleanGo and to broaden the company's reach within the investment community.

Dwayne Sorobey has been engaged by the Company for an initial period of one year starting November 15, 2021 at a rate of \$2500 per month (the "Initial Term") and then shall be renewed for successive periods thereafter, unless terminated by the Company in accordance with the Agreement. Mr. Sorobey will be paid a monthly fee for his services, plus applicable taxes, during the Initial Term.

"This engagement adds valuable marketing and communications capabilities to our investor relations strategy," stated Anthony Sarvucci, CEO of CleanGo Innovations. "By hiring Mr. Sorobey, a highly experienced capital markets veteran with comprehensive coverage of both American and Canadian markets, we will increase our exposure to investors and expand market awareness, while we continue to deliver on our rapid growth strategy."

About CleanGo Innovations

CleanGo Innovations Inc. is an international publicly traded company that specializes in the development of early staged, green, non-toxic and sustainable technology companies. We provide access to capital, executive management and industry experience to grow our portfolio of companies.

The company is proud of its suite of proprietary, certified non-toxic green products that are Health Canada approved to claim 99.9% disinfecting of viruses and bacteria. CleanGo's portfolio is also proud to be cruelty free / Leaping Bunny certified while being both family and pet safe. It is CleanGo's mission to create the worlds leading non-toxic, green solutions for the worlds cleaning problems.

CleanGo Innovations experienced team bring new ideas and innovation based on science to find solutions to the problems of current world we live in. Customers rely on quality, nontoxic products to keep their homes clean and their loved ones safe.

On behalf of the CEO & Board of Directors

Forward-looking Information

This news release may contain forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and U.S. securities legislation. Forward-looking statements can often

be identified by words such as “will”, “plans”, “expects”, “may”, “intends”, “anticipates”, “believes”, “proposes” or variations of such words including negative variations thereof and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. Actual results could differ from those projected in any forward-looking statements due to numerous factors, including risks and uncertainties relating to general economic, market or business conditions or changes in laws, regulations and policies affecting the Company’s operations. Investors are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements. Any forward-looking statements included in this news release are made as of the date hereof and the Company does not intend to update or revise any forward-looking statements, except as expressly required by law.
