

## **CleanGo Innovations Inc. Is Pleased to Announce its Strategic Partnership with Clean Sweep Industrial Solutions Inc.**

**Calgary, AB. – November 29, 2021: CleanGo Innovations Inc.** (CSE: CGII) (OTC PINK: SOFSF) (FRA: APO2) (“CleanGo” or the “Company”) is pleased to announce that it has entered a Strategic Partnership with Clean Sweep Industrial Solutions Inc. (“Clean Sweep”) to facilitate the sale of the CleanGo Innovations proprietary formula to prospective and existing industrial clients.

Through lab testing and commercial sales, the industrial application of the CleanGo formulation has proven extremely effective in the oil and gas industry in addition to the concrete and asphalt sectors. Clean Sweep is selling commercial quantities of its products in 1-barrel (205 litre) drums and 264-gallon (1,000 litre) totes, with delivery through high-volume tanker trucks. Clean Sweep has agreements with various oil and gas producers and service providers for their products. Furthermore, Clean Sweep is also distributing the CleanGo formulation through an established manufacturer of oil and gas chemicals for downhole wellbore interventions and facility cleaning.

"This partnership will add volume to our business model" stated Anthony Sarvucci, CEO of CleanGo Innovations. "By offering our proprietary formulation to one of the world’s largest industries, we add diversity and size to our ever-growing client base. As I have stated before, we strive every day to open new retail relationships to help establish our rapid growth strategy. This partnership will boost CleanGo’s distribution volumes over the coming months and years."
