SOL GLOBAL INVESTMENTS CORP. PLANS TO INCREASE EQUITY STAKE IN CAPTOR CAPITAL CORP. TO 15.7%

Captor Capital is the Publicly Traded Parent Company and 51% Owner of One Plant California

April 28, 2021 (Toronto, Ontario) – SOL Global Investments Corp. (“**SOL Global**” or the “**Company**”) (CSE:SOL) (OTCPK:SOLCF) (Frankfurt:9SB) announces that it has submitted irrevocable subscription agreements to increase its position in Captor Capital Corp. (“**Captor**”) (CSE:CPTR) to 15.7%, through the acquisition of 4,105,263 units in the capital of Captor (“**Units**”) from the recently announced non-brokered private placement of Captor (the “**Transaction**”). The completion of the Transaction will result in a greater than 2.0% increase in the 10.19% holding of common shares in the capital of Captor (“**Common Shares**”) reported since the last early warning report filed by the Company on April 12, 2021.

“Our excitement over the One Plant brand expansion and California dispensary market continues to grow” said Andrew DeFrancesco, Chairman and Chief Executive Officer of SOL Global. “In order to maximize the opportunity for SOL stockholders we felt strongly about participating in the financing and increasing our ownership position.”

On April 28, 2021, SOL Global submitted irrevocable subscription agreements for 4,105,263 Units at a price of \$0.95 per Unit. Each Unit was comprised of one (1) Common Share and one-half of one (1/2) Common Share purchase warrant (each, a “**Warrant**”) exercisable at \$1.20 for a period of 24 months. Prior to the Transaction, SOL Global owned 3,938,200 Common Shares, representing approximately 10.19% of the issued and outstanding Common Shares on a non-diluted basis. Following the completion of the Transaction, SOL Global will own 8,043,463 Common Shares representing approximately 15.7% of the issued and outstanding Common Shares on a non-diluted basis. Together with the 2,052,632 Warrants to be acquired by the Company, SOL Global will beneficially own approximately 18.99% of Captor on a partially diluted basis. Following closing of the Transaction, SOL Global’s average-cost-base on Captor is \$0.89 per Common Share.

The completion of the Transaction will result in an approximately 5.5% increase in the Company’s security holding percentage of the issued and outstanding Common Shares on a non-diluted basis.

The Company will acquire the securities reported herein for investment purposes. The Company may, depending on market and other conditions, increase or decrease its beneficial ownership in Captor’s securities, whether in transactions over the open market, by privately negotiated arrangements or otherwise, subject to a number of factors, including general market conditions and other available investment and business opportunities.

This news release is being issued to comply with National Instrument 62-103 - The Early Warning System and Related Take-Over Bid and Insider Reporting Issues (“**NI 62-103**”). An early warning report will be filed on SEDAR regarding the Transaction within two (2) business days of the filing of this news release in accordance with NI 62-103. Cautionary Statements

This press release contains "forward-looking information" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking information. In some cases, forward-looking information can be identified by words or phrases such as "may", "will", "expect", "likely", "should", "would", "plan", "anticipate", "intend", "potential", "proposed", "estimate", "believe" or the negative of these terms, or other similar words, expressions and grammatical variations thereof, or statements that certain events or conditions "may" or "will" happen, or by discussions of strategy. The forward-looking information contained in this press release includes, without limitation, information relating to the Company's investment plans.

Forward-looking information is based upon certain material assumptions that were applied in drawing a conclusion or making a forecast or projection, including management's perceptions of historical trends, current conditions and expected future developments, as well as other considerations that are believed to be appropriate in the circumstances. While we consider these assumptions to be reasonable based on information currently available to management, there is no assurance that such expectations will prove to be correct.

By their nature, forward-looking information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. A variety of factors, including known and unknown risks, many of which are beyond our control, could cause actual results to differ materially from the forward-looking information in this press release including the inability or failure of the Company's portfolio companies to execute their business and strategic plans as contemplated or at all, changes in national or regional economic, legal, regulatory and competitive conditions and a resurgence in the COVID-19 pandemic.

Other risk factors include: the risks resulting from investing in the US marijuana industry, which may be legal under certain state and local laws but is currently illegal under U.S. federal law; the risks of investing in securities of private companies which may limit the Company's ability to sell or otherwise liquidate those securities and realize value; reliance on management; the ability of the Company to service its debt; the Company's ability to obtain additional financing from time to time to pursue its business objectives; competition; litigation; inconsistent public opinion and perception regarding the medical-use and adult-use marijuana industry; and regulatory or political change. Additional risk factors can also be found in the Company's current MD&A, which has been filed on SEDAR and can be
