Micromem Romgaz Update

Toronto, Ontario and New York, New York, May 6, 2021 – Micromem Technologies Inc. (CSE: MRM) (OTCQB: MMTIF) (“Micromem”) (“the Company”) reports that Romgaz has advised the Company that they have engaged the Petroleum-Gas University of Ploiesti, Romania (Universitatea Petrol-Gaze Din Ploiesti) to be the research arm for the tracer technology (the “Technology”). The Technology is being developed by the Company in conjunction with Romgaz for installation on their site. Prof. dr. ing. Lazar Avram, the Director of Well Drilling, Hydrocarbon Extraction and Transport Department and Prof. univ. habil. dr. ing. Florinel Dinu, Rector of the University will be leading the project and providing the required expertise to review and modify Micromem’s current design for use in Romgaz’s gas wells.

Both Professors have extensive experience in tracer technology, are familiar with the oil & gas industry in the region and they have the requirements to take this project forward.

The project with Romgaz continues to move forward and the Company will continue to publicly announce material information when such material changes and information becomes available, in accordance with securities laws.

Petroleum-Gas University of Ploiești (*Universitatea Petrol-Gaze, UPG*) is a public university in [Ploiești, Romania](#). Founded in 1948 under the name of Institute of Petroleum and Gas, in response to the increasing industrialization in Romania and the lack of high level education in the petroleum and gas fields, it gained fast the status of university, hence changing its name to the actual one in 1993 and extending with new faculties and departments in the field of economic sciences and humanities. The UPG's academic structure includes 5 faculties: Faculty of Petroleum and Gas Engineering, Faculty of Mechanical and Electrical Engineering, Faculty of Petroleum Technology and Petrochemistry, Faculty of Economic Sciences and Faculty of Letters and Sciences. Ploiești, formerly spelled Ploești, is a city and county seat in Prahova County, Romania. *Source: https://en.wikipedia.org/wiki/Petroleum-Gas_University_of_Ploie%C8%99ti*
