

**NHS INDUSTRIES APPOINTS MR. ROBERT S. RENDLE TO ITS ADVISORY BOARD TO
FOCUS ON BRANDING AND DISTRIBUTION**

VANCOUVER, B.C. – JULY 14TH, 2021 – NHS INDUSTRIES LTD. (CSE: NHS) (OTC: NNHHF) (THE "COMPANY" OR "NHS") is pleased to announce it has appointed to its advisory board Mr. Robert S. Rendle to advise the company on widening distribution and branding.

Mr. Rendle previously was a Partner at Alberta based All Clean Natural, a company that grew under his guidance from direct to consumer sales to a Canada wide distributed portfolio of products available at over 1,000 locations country wide including Loblaws, Safeway, Save On Foods, London Drugs, Co-Op, Chevron and many other retailers across Canada. Mr. Rendle grew his team to over 100 personnel, handling logistics from product supply, packaging, marketing and distribution.

Robert Nygren, CEO of NHS Industries stated: “We Welcome Mr. Rendle to our growing team of consumer-packaged goods and plant-based food specialists. We look forward to working with Mr. Rendle as the company scales up its growing portfolio of plant-based products and food businesses.”

About NHS Industries Ltd.

NHS is an agri-food holdings company focused on innovative products and technologies in the food services industry including its wholly owned Be Good plant-based foods line up of plant-based chicken, pork and beef products as well as is currently investing in the research and development of keto-friendly plant-based candy products.

Certain statements contained in this press release constitute “forward-looking information” as such term is defined in applicable Canadian securities legislation. The words “may”, “would”, “could”, “should”, “potential”, “will”, “seek”, “intend”, “plan”, “anticipate”, “believe”, “estimate”, “expect” and similar expressions as they relate to the Company, are intended to identify forward-looking information. All statements other than statements of historical fact may be forward-looking information. Such statements reflect the Company’s current views and intentions with respect to future events, and current information available to them, and are subject to certain risks, uncertainties and assumptions, including, without limitation: the potential of the Company’s mineral properties; the estimation of capital requirements; the estimation of operating costs; the timing and amount of future business expenditures; and the availability of necessary financing. Many factors could cause the actual results, performance or achievements that may be expressed or implied by such forward-looking information to vary from those described herein should one or more of these risks or uncertainties materialize. Such factors include but are not limited to: changes in economic conditions or financial markets; increases in costs; litigation; legislative, environmental and other judicial, regulatory, political and competitive developments; and exploration or operational difficulties. This list is not exhaustive of the factors that may affect forward-looking information. These and other factors should be considered carefully, and readers should not place undue reliance on such forward-

looking information. Should any factor affect the Company in an unexpected manner, or should assumptions underlying the forward-looking information prove incorrect, the actual results or events may differ materially from the results or events predicted. Any such forward-looking information is expressly qualified in its entirety by this cautionary statement. Moreover, the Company does not assume responsibility for the accuracy or completeness of such forward-looking information. The forward-looking information included in this press release is made as of the date of this press release and the Company undertakes no obligation to publicly update or revise any forward-looking information, other than as required by applicable law.
