

Mobilum Technologies Launches Crypto Off-Ramp and Signs MOU with PhyloPay

VANCOUVER, BC, October 7, 2021 - [Mobilum Technologies Inc.](#) ("**Mobilum**" or the "Company") (CSE:MBLM) (OTC:MBLMF) (FRA:C0B), a technology-driven company making traditional finance accessible through digital payment infrastructure and digital asset management technologies, is pleased to announce the launch of its crypto-to-fiat off-ramp product via gift cards, debit and credit cards.

The off-ramp compliments Mobilum's fiat-to-crypto on-ramp, completing the ecosystem with functionality to convert digital assets back to fiat currency through gift cards from major retailers across 80 different countries with over 2,000 retail brands without any fees.

"This new product feature opens up a significant revenue stream for the Company, and we are excited to see the continued customer and market demand for these services," said Mobilum OÜ CEO Wojciech Kaszycki. "Off-ramp services are an evolving and core part of our product strategy, our goal is to ensure our partners and customers have a secure, compliant and efficient payments ecosystem to entrust and move in and out of."

Mobilum is also excited to announce that its wholly-owned subsidiary, [XPort Digital Limited](#) ("XPort"), has signed a Memorandum of Understanding with [PhyloPay](#), an online back office solution that offers accounting, vendor management, payroll and procurement services. The agreement would see XPort integrate its simple fiat-to-crypto and crypto as a form payment acceptance widget into PhyloPay's back-office solution. On a separate engagement XPort Digital and PhyloPay will establish a long term partnership and new entity with the intent to offer a global back office solution to process crypto and fiat throughout the platform's various features.
