**Treatment.com International Inc. Announces Investor Awareness
Campaigns**

VANCOUVER, British Columbia, September 27, 2021 — Treatment.com International Inc. ("Treatment" or the "Company") (CSE: TRUE) (OTC: TREIF) (FRA: 939), a healthcare AI technology company, previously announced (see September 14 news release) that the Company's shares are Depository Trust Company (DTC) eligible.

In order to increase investor awareness, ahead of Treatments' first product launch this fall, the Company has engaged Life Water Media ("Life Water"), pursuant to which Life Water will provide the Company with marketing services for a one (1) month term commencing September 27th, 2021, for an amount of USD \$200,000. Life Water will utilize its online programs to generate a greater following, increase investor awareness and attract new investors through many different online platforms and methods of engagement. Additionally, the Company has entered into an agreement with OilPrice.com ("Oilprice"), pursuant to which Oilprice will write five (5) articles on the Company's business in consideration of USD \$450,000.

About Treatment.com

Treatment.com is a disruptive healthcare technology company that is harnessing the power of AI to help consumers improve their health through personalized recommendations and insights. Based in Vancouver and Minneapolis, the company spent the last five years working with a team of world-class doctors, engineers, mathematicians, and AI specialists to develop a complex AI engine that leverages the most robust, personalized data to generate highly predictive and accurate insights. Treatment.com is the parent company of Cara. Cara empowers consumers to take control of their health with the launch of an innovative mobile app powered by this exclusive AI engine.
